USW Holds Out On Pact Approval

AT STEEL TALKS. Thomas Murray (left) leaves recessed meeting with Joseph P. Molony, USW vice president, who told the basic steel industry conference in Pittsburgh Monday that industry has put a last-minute offer on the table, according to several delegates. The steel contract expires Wednesday at Midnight. (UPI Telephoto)

PITTSBURGH (AP) — The United Steelworkers Union decided today to hold out to the last possible moment before taking action on a steel industry contract offer reported to be 78 cents.

"Maybe we'll get this pot sweetened a little more," said a union district director after a morning meeting of the union's executive board was postponed for two hours. The official reason given for the delay was that negotiators were working on specific contract language.

As the threat of a nationwide steel strike faded with the reported 78-cent offer, the stage was set for the first big test of new power held by the union's rank and file.

It was reported the wage and benefits package, for three years, still is being negotiated and may be worth another 10 cents an hour before it is wrapped up.

"They have an agreement," said Anthony Tomko, president of a 5,000-man local at McKeesport, Pa. "The problem now seems to be whether the union leaders can sell it to the members."

For the first time, the 600 local presidents have the power to ratify or reject a contract, or call a strike when the current agreement runs out at midnight Wednesday. They are organized into a group called the basic steel industry conference, meeting this afternoon.

★ ★ ★ Hopes To 'Sweeten Pot' ★ ★ ★

Officially, the union wasn't even admitting Monday that a new offer from the industry was on the table, much less that it was acceptable to top negotiators.

But union sources passed the word that the industry had offered a 20-cent hourly wage increase immediately, with raises of 12 and 13 cents to follow in the second and third year of the contract—a total of 45 cents.

All workers not covered by incentive pay—the biggest issue in some plants—would get a 5 per cent bonus. Pensions would be raised from $5 to $6.50 a month per year of service for men with 30 years service, meaning they could get $195 a month instead of $150.

An extra paid holiday, for a total of eight, was thrown in, along with pay for widows whose husbands are killed on the job. An extra seven cents would be added to the job classifications spread, meaning that top classifications would get seven cents additional per hour by the time the three-year contract ended.

Provisions on other union demands, such as unemployment insurance, severance and job training, could not be learned. But these contract improvements could push the total package up another 5 or 10 cents, to possibly 88 cents an hour.

One source who described the offer said the top union negotiators were pleased, except for the provision on incentive pay. They want 10 per cent instead of 5, he said.

Before the figures were bandied in hotel corridors Monday night, Joseph P. Molony, the union's international vice president, talked briefly to the industry conference, and made the strongest statement of the month-long negotiations.

"It looks encouraging," he said. "Considerable progress has been made. Tomorrow or the day after we'll have an agreement without government intervention—I hope."

PRAGUE (AP) — A Czechoslovak general opposed to the country's new democratic reforms today was reported in contact with Soviet Army officers as the leaders of the Soviet and Czechoslovak Communist parties resumed their showdown meeting close to the Soviet border.

Prague Radio reported that the two party delegations had gone back into session at Cierna but gave no details.

The summit meeting between the Soviet Politburo and the Czechoslovak party's Presidium was expected to conclude today after a thorough debate on the liberalization program launched by Prague's new leaders. But so far there has been no word on the likely outcome of the talks.

Meanwhile, the trade union newspaper Prace reported that Gen. Samuel Kodaj, who warned early this month against "counterrevolutionary" tendencies in the country, met at Strecno, in Slovakia, with the "Soviet Army staff which is operating on our territory."

Prace said Kodaj and other Czechoslovak officers met with the chief of the Soviet Army staff, a Gen. Mayorov, and other Soviet officers "to exchange views on the present situation."

"Counterrevolutionary" was the chief charge made against the Czechoslovak party leadership by the Soviet Union, East Germany, Poland, Bulgaria and Hungary at a meeting in Warsaw early this month.

There was no new word today on the talks between the Soviet and Czechoslovak political leaders which began Monday close to the Soviet border.

Usually reliable sources said planes were waiting for the Czechoslovak party presidium at Nosice, nearest airport to the frontier village of Cierna where the Communist leaders met for 12 hours Monday in a dilapidated movie theater.

U.S. Navy Pilot Downs MIG Jets Over North Viet

SAIGON (AP) — U.S. forces suffered setbacks in two ground battles reported today in which 24 Americans were killed and only five enemy bodies were found. In the air a U.S. Navy pilot downed an enemy MIG17 jet fighter in a five-minute dogfight over North Vietnam.

One of the setbacks was dealt U.S. Marines from the 7th Regiments in a day-long battle about 25 miles south of Da Nang, one of several areas in which enemy troops have been reported massing, presumably for the countrywide Communist offensive expected in the next two months.

About 200 North Vietnamese troops cut into the Marines with heavy machine-gun fire in what appeared to be an ambush. When the North Vietnamese finally pulled back under heavy air and artillery attack 20 Marines were dead and another 40 were wounded.

The battle took place Sunday, but was not reported until today. The Marines swept the battlefield Monday and found only five North Vietnamese bodies. Possibly others were carried off by the enemy.

In what appeared to be another ambush Monday, North Vietnamese troops hiding in a wooded area opened up with heavy machine guns, small arms and mortars on U.S. air cavalrymen probing enemy base camps deep in the mountains 35 miles northwest of Hue.

The fighting at times was at grenade range. Helicopter gunships swooped in to help drive off the enemy.

Three other officers were injured and three civilians were wounded by gunfire which police said they did not return.

The violence followed arrest of two members of the militant Black Panther party on suspicion of larceny and a rally at which a Panther leader told 150 Negroes "If you have a gun and don't plan to use it, give it to someone who will."

Elmer Dixon, 18, who calls himself the Panthers' captain of military, stood in front of 25 party members dressed in black leather jackets and berets, called police "racist dog pigs," and urged Negroes to arm themselves.

Immediately after the rally broke up on a school playground, a fire started on a sidewalk. Police confiscated several bottles of gasoline hidden in bushes.

Then violence broke out in several nearby areas.

Dims GOP Platform Chances On War

Eisenhower Opposes Any 'Camouflaged Surrender'

MIAMI BEACH, Fla. (AP) — Chances for a dramatic Republican platform proposal to end the Vietnam war dimmed today as former President Dwight D. Eisenhower opposed any "camouflaged surrender."

Eisenhower's special message to the platform committee accompanied the testimony of a nonpartisan committee, of which he is a member, ruling out both pullout and massive escalation of the fighting.

It strengthened the sentiment apparently already held by a majority of the committee for a broadly worded statement that would leave the party's presidential candidate free to develop his position during the campaign. Such a plank fits the mood of supporters of Richard M. Nixon, who are saying their man will be nominated on the first or second ballot.

But even some sympathizers of New York Gov. Nelson A. Rockefeller agreed that the plank on the overriding international issue cannot be too specific.

Eisenhower urged the campaign document writers to "make it clear to Hanoi that we do not seek nor will we accept a camouflaged surrender which would inevitably result in the United States writing off Southeast Asia for the foreseeable future."

Eisenhower's appeal—addressed to both parties—was taken to the Republican platform hearings by representatives of the Citzens Committee for Peace with Freedom in Vietnam.

Sen. Hugh Scott of Pennsylvania, a Rockefeller supporter on the platform committee, told a reporter he expects the Eisenhower statement to have considerable weight in the drafting.

Sen. John G. Tower of Texas, a Nixon stalwart serving on the committee, said a majority of the group is "Nixon-disposed." He added: "It is logical to expect that the platform will reflect that sentiment."

Nixon has not spelled out his proposals for handling the Vietnam problem, but he may have more to say later in the week by way of statements in his behalf to the platform committee.

Rockefeller has proposed a four-stage peace plan featuring use of an international military force as a buffer. One of his adherents on the platform committee, Rep. Silvio Conte of Massachusetts, said he would like to see a platform plank along these lines.

No 'Fat' Seen Left To Slash Foreign Aid

WASHINGTON (AP) — The Senate has been told there's no fat left to trim from President Johnson's foreign-aid requests, now more than $1 billion under what he asked and the lowest in the program's 21-year history.

Acting Chairman John Sparkman, D-Ala., of the Foreign Relations Committee said the $1.94-billion level set by the committee "represents the absolute minimum necessary if we are to sustain our over-all foreign policy."

Johnson's original request for $2.96 billion was slashed repeatedly in its progress through the House Foreign Affairs Committee, the House and the Senate foreign relations committees.

The aid bill was called up in the Senate Monday night, with developments limited to Sparkman's opening statement.

The Senate timetable calls for completing action on the authorization measure by Friday, when Congress will adjourn for the national political conventions.

Reviewing decreases made up to this point, Sparkman said "the simple fact is that there is just no fat left for us to trim from the foreign assistance bill."

"We have in every case made the maximum cuts possible without jeopardizing the whole program and our entire foreign policy," he said.

In an apparent effort to anticipate objections to the measure, Sparkman said one critic had estimated that U.S. foreign aid since World War II totaled $170 billion. He termed that a mythical total.

The actual figure is about $40.5 billion, Sparkman said.

Council Completes Action For Two-Lane St. Clair

Council, during a special meeting Monday night, gave third and final reading to legislation designating the new section of St. Clair Ave. as a two-lane facility.

This eliminates the necessity for installation of a costly traffic control lighting system. Because federal and state funds were used to help construct the new section, the city was required to install a directional traffic flow signal system for inbound and outbound traffic, utilizing three lanes.

City officials, for some 18 months, maintained it was not necessary for St. Clair to be three lanes. Accepting the city's viewpoint, the state obtained the necessary approval from federal agencies and sent legislation to be approved.

Council was unable to pass the legislation under suspension of rules at the first meeting, Councilman Frank Duffy voting

Bid For Apartment Given HUD Approval

The proposed high - rise apartment for East Liverpool has received approval of the Department of Housing and Urban Development.

Don Gosney, Columbiana County Democratic chairman, said Rep. Wayne L. Hays announced from Washington Monday afternoon that HUD had approved the $1,738,000 bid of Builders Co. of Youngstown.

Bids on the project were opened last Tuesday and the Columbiana Metropolitan Housing Authority at a special meeting Thursday recommended the bid be accepted.

The necessary papers were presented to HUD officials at the Chicago office Saturday.

The 130-unit apartment will be constructed on a site in the West End and will provide housing for the elderly.

Police Laxity In Testimony Hit By Judge

Judge Samuel Chertoff today criticized the failure of many officers of the police department for failure to appear to testify against defendants in Municipal Court.

Commenting, "This court is more than a little angry," the judge asked that Police Chief Americo Radeschi meet with him relative to the situation.

The issue came to light when a city man appeared before the bench today on charges of intoxication and resisting arrest.

Anthony Eckert, who was arrested Monday at 8:12 p. m. on E. 3rd St., pleaded guilty to the intoxication charge, but offered no contest for the resisting charge. Both were filed by Patrolmen J. W. Woods and W. F. Copestick.

Asked to tell his story, Eckert

Don Gosney, Columbiana County Democratic chairman, said Rep. Wayne L. Hays announced from Washington Monday afternoon that HUD had approved the $1,738,000 bid of Builders Co. of Youngstown.

Bids on the project were opened last Tuesday and the Columbiana Metropolitan Housing Authority at a special meeting Thursday recommended the bid be accepted.

The necessary papers were presented to HUD officials at the Chicago office Saturday.

The 130-unit apartment will be constructed on a site in the West End and will provide housing for the elderly.

Police Laxity In Testimony Hit By Judge

Judge Samuel Chertoff today criticized the failure of many officers of the police department for failure to appear to testify against defendants in Municipal Court.

Commenting, "This court is more than a little angry," the judge asked that Police Chief Americo Radeschi meet with him relative to the situation.

The issue came to light when a city man appeared before the bench today on charges of intoxication and resisting arrest.

Anthony Eckert, who was arrested Monday at 8:12 p. m. on E. 3rd St., pleaded guilty to the intoxication charge, but offered no contest for the resisting charge. Both were filed by Patrolmen J. W. Woods and W. F. Copestick.

Asked to tell his story, Eckert

New Tax Plan Costs More Than Tax Itself

MONTPELIER, Vt. (AP) — Soft drink sold from vending machines in Vermont are now liable for the state rooms and meals tax, but a tax official says the added paper work probably will cost the state more than the tax money the soft drinks bring in.

Venders must now license their machines at $1 each and keep a set of books listing the revenue each machine brings in. The Tax Department says it will take two clerks just to handle the paper work.

Renomination Sought Today By Fulbright

LITTLE ROCK, Ark. (AP) — Sen. J. William Fulbright, seeking renomination in today's Democratic primary election, said his opposition to the Vietnam war is aimed at "stopping the killing of our men and to bring them home to their families where they belong."

In a statewide television appeal for votes Monday night, the chairman of the Senate Foreign Relations Committee also said the war has cost billions of dollars that could have been used to solve domestic problems.

Jim Johnson, Fulbright's most serious challenger, and his two other opponents all have criticized Fulbright's opposition to the war.

An estimated 480,000 Arkansans are expected to vote in the primaries including 30,000 in the Republican primary where Winthrop Rockefeller, the state's first GOP governor since Reconstruction, is heavily favored to defeat Sidney C. Roberts, an unemployed salesman from Little Rock.

The polls open at 9 a.m. EDT and close at 8:30 p.m.

On of the six candidates for the Democratic gubernatorial nomination is Jim Johnson's wife Virgina, the first woman to seek the state's highest office.

Others in the race are former state Atty. Gen. Bruce Bennette of El Dorado, attorney Ted Boswell of Bryant, state Rep. Marion Crank of Foreman, former state Sen. Clyde Byrd of Little Rock and insurance executive Frank Whitbeck of Little Rock.

Eight men, including Henry D. Akins of Wynne, a Negro high school principal, are seeking the Democratic nomination in the 1st Congressional District. Rep. E. C. "Took" Gathings is retiring from the post after 30 years in Congress.

Judge

(Continued from Page 1)

said he had nothing to relate. Stapled to the affidavit on the resisting charge was a note from the officers explaining Eckert was arrested after he threw his landlady out of his apartment on E. 3rd St.

However, the affidavit lists his address as 955 St. George St. The note also said he attempted to battle the two policemen as they were taking him to jail.

Expressing evident dissatisfaction after he called the officers for testimony and they were not present, Judge Chertoff then decreed fines of $1 and costs on each charge.

He later said, "This is the most unusual thing I have done on the bench. However, there were no officers here. How can a judge determine a case without testimony?

"If a police officer makes an arrest and doesn't show up for the hearing, what is the court to do? There was not sufficient written information on the note. This has occurred before. It is an officer's duty to appear for a hearing and present the necessary testimony to court. They should especially be interested when someone resists arrest," he concluded.

Three County Courts Report Increase In Case Numbers

LISBON — The three Columbiana County Courts at Lisbon, Salem and East Palestine handled 3,070 criminal and civil cases during the first six months this year, according to Mrs. Edna Ray, clerk of the board of county commissioners.

The figure compares with 2,322 for the same period last year, and represents a 32.2 per cent increase.

Criminal cases filed this year totaled 2,360 (1,775 for the first six months in 1967), and civil cases 715 (547).

Fines assessed in State Highway Patrol cases were $51,164, more than double the $25,315 in this category for the first half of 1967.

The County Treasurer receives 55 per cent of fines in Patrol cases, while the State Treasurer received 45 per cent. First - half distributions were $28,139 ($13,923) to the county, and $23,025 ($11,392) to the state.

Total receipts by the three courts January - June were $91,943 ($62,952) with distributions totaling $89,803 ($58,459).

From this, the county treasury received a combined total of $43,847 ($28,383) for fines and court costs, with the balance being paid to the state treasurer from cases initiated by the Patrol, game protector, Liquor Control Board and other state agencies.

Distributions are made monthly to the Sheriff's department for service of summons, and to township trustees for arrests made by constables. Fines are divided 50-50 between the county and township with fees for service of papers by constables going to the townships they serve.

The legislature established the county courts in 1958 to relieve some of the burden on Common Pleas Court by handling civil actions up to $500. Prior to inauguration of the county courts, Patrol cases were handled by mayors and justices of the peace.

A Wellsville man facing three charges was fined $50 and costs for disorderly conduct this morning by Wellsville Mayor William Daugherty.

Charles Sartin of Wellsville was cited July 20. Mayor Daugherty consented to a request by Sartin's attorney for transfer of two other charges —assault and battery and malicious destruction of property —to County Court at Lisbon for a jury trial.

against it and Councilman Floyd Murray being absent.

At second reading, not enough legislators were present to complete action. Last night, Duffy voted in favor of the action, joined by Councilmen Murray, James Lowe, Donal Burcham and Robert Sample. Councilmen John Wilson and Ed Massey were absent.

Final reading also was given a resolution requesting the Public Utilities Commission of Ohio to make an informal study of the gas rates in East Liverpool. Duffy voted against the legislation.

The Ohio Valley Gas Co. earlier presented a new rate schedule calling for an increase which Council refused to accept.

Burcham reported the bus terminal on E. 5th St. is being closed to Greyhound buses. He said plans call for opening a new office on St. Clair Ave. and asked Council's informal approval to provide parking space on the street for the buses. This would mean the removal of four meters just off the Diamond.

He was asked to obtain more information concerning the buses and taxicabs involved. He was to report to Council today at noon during a meeting called to approve a certificate necessary for a sanitary sewer project.

The Board of Public Utilities will open bids at its City Hall office Thursday at 10 a. m. for the three - phase project that calls for sewers in the Maine Blvd. - Montrose Ave. area, the Alton St. district and the Wooster Ave. area.

Duffy said residents of Sunnyside are complaining of water from the old stone quarry running into their basements. The water also is damaging May St. and may damage the new 9th St. overpass, he said. He suggested the city solicitor join with the residents in a suit to have a contractor make necessary corrections to stop the water. The case is in civil court.

District Driver Cited When Auto Rams Pole

A 21-year-old Wintersville man was cited by the Ohio Highway Patrol early today after he apparently fell asleep at the wheel of his car and it struck a utility pole along Jefferson County Route 34.

Officers at Wintersville said Gordon Howard Valine was headed south when his car veered off the left side of the road and struck the pole, causing moderate damage to his 1964 coach which was towed away.

Valine, who suffered a cut of the forehead, was charged with reckless operation.

Renomination Sought Today By Fulbright

LITTLE ROCK, Ark. (AP) — Sen. J. William Fulbright, seeking renomination in today's Democratic primary election, said his opposition to the Vietnam war is aimed at "stopping the killing of our men and to bring them home to their families where they belong."

In a statewide television appeal for votes Monday night, the chairman of the Senate Foreign Relations Committee also said the war has cost billions of dollars that could have been used to solve domestic problems.

Jim Johnson, Fulbright's most serious challenger, and his two other opponents all have criticized Fulbright's opposition to the war.

An estimated 480,000 Arkansans are expected to vote in the primaries including 30,000 in the Republican primary where Winthrop Rockefeller, the state's first GOP governor since Reconstruction, is heavily favored to defeat Sidney C. Roberts, an unemployed salesman from Little Rock.

The polls open at 9 a.m. EDT and close at 8:30 p.m.

On of the six candidates for the Democratic gubernatorial nomination is Jim Johnson's wife Virgina, the first woman to seek the state's highest office.

Others in the race are former state Atty. Gen. Bruce Bennette of El Dorado, attorney Ted Boswell of Bryant, state Rep. Marion Crank of Foreman, former state Sen. Clyde Byrd of Little Rock and insurance executive Frank Whitbeck of Little Rock.

Eight men, including Henry D. Akins of Wynne, a Negro high school principal, are seeking the Democratic nomination in the 1st Congressional District. Rep. E. C. "Took" Gathings is retiring from the post after 30 years in Congress.

Judge

(Continued from Page 1)

said he had nothing to relate. Stapled to the affidavit on the resisting charge was a note from the officers explaining Eckert was arrested after he threw his landlady out of his apartment on E. 3rd St.

However, the affidavit lists his address as 955 St. George St. The note also said he attempted to battle the two policemen as they were taking him to jail.

Expressing evident dissatisfaction after he called the officers for testimony and they were not present, Judge Chertoff then decreed fines of $1 and costs on each charge.

He later said, "This is the most unusual thing I have done on the bench. However, there were no officers here. How can a judge determine a case without testimony?

"If a police officer makes an arrest and doesn't show up for the hearing, what is the court to do? There was not sufficient written information on the note. This has occurred before. It is an officer's duty to appear for a hearing and present the necessary testimony to court. They should especially be interested when someone resists arrest," he concluded.

Three County Courts Report Increase In Case Numbers

LISBON — The three Columbiana County Courts at Lisbon, Salem and East Palestine handled 3,070 criminal and civil cases during the first six months this year, according to Mrs. Edna Ray, clerk of the board of county commissioners.

The figure compares with 2,322 for the same period last year, and represents a 32.2 per cent increase.

Criminal cases filed this year totaled 2,360 (1,775 for the first six months in 1967), and civil cases 715 (547).

Fines assessed in State Highway Patrol cases were $51,164, more than double the $25,315 in this category for the first half of 1967.

The County Treasurer receives 55 per cent of fines in Patrol cases, while the State Treasurer received 45 per cent. First - half distributions were $28,139 ($13,923) to the county, and $23,025 ($11,392) to the state.

Total receipts by the three courts January - June were $91,943 ($62,952) with distributions totaling $89,303 ($58,459).

From this, the county treasury received a combined total of $43,847 ($28,383) for fines and court costs, with the balance being paid to the state treasurer from cases initiated by the Patrol, game protector, Liquor Control Board and other state agencies.

Distributions are made monthly to the Sheriff's department for service of summons, and to township trustees for arrests made by constables. Fines are divided 50-50 between the county and township with fees for service of papers by constables going to the townships they serve.

The legislature established the county courts in 1958 to relieve some of the burden on Common Pleas Court by handling civil actions up to $500. Prior to inauguration of the county courts, Patrol cases were handled by mayors and justices of the peace.

Edward Kennedy's Decision

Sen. Edward M. Kennedy of Massachusetts has made a decision that would be extremely difficult for any politician at the national level to make. He has turned down the almost sure opportunity to seek the second highest office in the United States.

In announcing, after much soul-searching, that he would not be able to accept the vice presidential nomination this year, he put aside any personal ambition for this high office he may have had, to shoulder his family responsibilities.

THIS INCLUDES responsibility for 15 children, including 10 of Robert Kennedy's and two of John's.

In making his decision, Sen. Kennedy has won the respect of millions of Americans, Republicans as well as Democrats. Although the decision was his, and he said it is final and firm, he heeded the advice of many of his close friends who believe the Kennedy family has given enough to this nation and suffered far too much from it.

Somewhere among his many thoughts leading up to his decision, there must have been one which pulled at him to pick up the torch which had fallen twice and try to fulfill and complete the unfinished contributions of the Kennedys to the welfare of this nation.

In holding this desire in check, Edward Kennedy has not necessarily abandoned it. He included the words "this year" in his rejection statement and indicated he would continue to speak out or his beliefs in his capacity as a senator.

SEN. KENNEDY is a young man. There will be another day, politically speaking, after the hurtful memories of his brothers' deaths are not so sharp, and after the younger generation of male Kennedys have attained adulthood.

Most Americans, we feel, will understand Sen. Kennedy's decision, sympathize with him and respect him for it.

California Leads The Way

California, long recognized as one of the nation's most beautiful stages, has also been known as the state which contains some of the worst smog areas in the nation.

Because of this latter undesirable distinction, California took the initiative in pioneering antipollution activities as early as 1948.

Los Angeles, where the smogs were the worst, led the way by instituting regulations controlling the activities of industries, utilities, and private individuals relative to air pollution.

NOW, DETERMINED TO HAVE clean air by 1975, the Golden State has enacted a new law which is designed to force the nation's automobile manufacurers to develop and install more efficient antismog devices in their products or risk the loss of their best market.

Gov. Ronald Reagan made the Pure Air Act of 1968 official last week with his signature, declaring that the act is a major step forward in the removal of the automobile as a primary source of air pollution in California.

The act sets up standards as to the amount of gasses which can be emitted from motor vehicle exhausts. These gases currently account for 10 per cent or more of the smog in California.

President Johnson, in his message to Congress Jan. 30, 1967, said, "Ten years from now, when industrial production and waste disposal have increased and the number of automobiles on our streets and highways exceeds 110 million, we shall have lost the battle for clean air — unless we strengthen our regulatory and research efforts now."

So far the polluters are winning the race with those promoting antipollution, experts agree.

Industry, though it has done much in recent years to reduce its air-polluting activities nevertheless is resistant to controls and restrictions on its operations.

Automobile manufacturers have been fearful of putting emission-control devices on their cars because they are expensive. If they were to act without comparable action on the part of the other automobile manufacturers, they would suffer a major competitive disadvantage.

BUT CALIFORNIA'S new law may force all the manufacturers to solve the pollution problem as it applies to their cars for, beginning with the 1970 models, no car can be sold or registered within the Golden State unless it meets the state's standards.

California apparently means business in its drive for clean air. Other states might well heed its initiative.

An Illness Called Violence

A sickness called racial violence again has struck the city of Cleveland.

Its ugliness is reflected in the number of victims it has left dead and wounded.

Its thoroughly evil nature is reflected in the striking down of guilty and innocent alike.

Its ability to paralize the brain is shown by its power to enlist a young man to walk down a street firing a gun repeatedly, indiscriminately.

Its utter uselessness is evident in the fact it cannot accomplish any worthy goal and in the way it inevitably postpones the day of racial harmony.

But it is a reality and must be dealt with.

THE AMBUSH of three white policemen by Negro snipers, which launched Tuesday night's rioting, removes all vestiges of spontaniety from the violent outburst.

Cleveland's night of slaughter is evidence that promises of violent-minded militants are being kept.

In April of 1967, Stokely Carmichael, then chairman of the Student Nonviolent Coordinating Committee (SNCC), said: "We are going to tear this country apart."

In July of 1967, H. Rap Brown, the new SNCC chairman, told a rally: "I say violence is necessary."

Gen. Sylvester Del Corso, state adjutant general, has said flatly he believes there is a plot behind the Cleveland violence.

He bases his opinion on military and FBI reports that warned of trouble in advance of the rioting.

A small percentage of Negroes are advocates of violence, the majority abhors racial violence as do the majority of whites.

Nevertheless, the vicious militants are able to exhort others to adopt violent methods through emotional appeals or threats.

A state of anarchy reigned in one section of Cleveland Tuesday night until the situation could be brought under control.

There is reason to believe other attempts to overthrow established order will occur in Cleveland and other Ohio cities.

THE GRAY PALL of indecision that clouded the riot issue before has been dispelled.

Those who would sweep aside all racial progress, kill indiscriminately with the goal of destroying this nation must be flushed out.

The vultures who feed on violence have done more to disrupt rapport between the races than have whites. They do not seek harmony, they only want to break down America, or force it to become a police state.

It does not have to be either of those choices if the whites and Negroes who realize the futility of violence will stand together determinedly and put and end to it.

And The Walls Come Tumbling Down?

Moscow Dial-Logue

By Art Buchwald

You would think that being in Moscow during the Soviet-Czech crisis I would be very informed about what was going on. But the truth of the matter is I didn't even know there was a Soviet-Czech crisis until I left the country. I blame the Soviet television network for this.

Art Buchwald

For some reason, which I'll never understand, Soviet TV just isn't doing the job when it comes to informing the public. I know this because I had a television set in my room at the hotel, and I watched it constantly to see if the Soviet were doing any better with their electronics media than we were doing with ours.

It would be unfair to say Soviet television is better than American television — it's just different.

The first time I turned on the set I hit it lucky. There was an exciting film on, showing how trucks were assembled in a Soviet factory. Not only did the program feature the trucks being put together by loyal and patriotic workers, but it showed them being greased and tested as well.

THIS PROGRAM was followed by a visit to a Soviet stone quarry. For two hours I sat glued to the set watching giant machines tear into a mountain and chew up stones until they were turned into gravel.

During a lull in the program, I decided to change channels (Moscow is supposed to have four), and lo and behold, there was a panel show with a moderator who looked just like David Susskind. Seated around the table were a welder, a dam builder, a woman lumberjack and the minister of canal barges.

My Russian wasn't good enough to understand what they were saying but, as in America, the fellow who looked like David Susskind was doing all the talking.

I switched to a third channel and got a beautiful test pattern. The fourth channel didn't seem to be working, so I went back to the first channel where the stone quarry program had just ended. It was followed by a visit to a pipeline workers' congress being held in Byelorussia.

BY THIS TIME my wife wanted to go sightseeing, but I was so grabbed by the speeches I told her to wait. She could see the Kremlin any time, but how often could she see a pipeline workers' congress on television?

Two hours later I watched steel being made in a large foundry outside Moscow, and this program was followed by an interview with a professor of Siberian tree transplants. I turned the channel and the panel was still in session, with the fellow who looked like David Susskind still doing the talking.

My wife kept insisting we leave the room but I decided to have one more go at the third channel, and I'm glad I did.

INSTEAD OF FEATURING a test pattern the third channel was now showing a feature film on sheepshearing in Mongolia. Even in black and white it was the highlight of Soviet TV that week.

By this time my wife was getting pretty angry so I reluctantly turned off the set and went out sightseeing with her. When we got back to the room eight hours later I immdeiately turned on the set. Two of the three channels were showing test patterns, but the David Susskind-type panel was still going on, and the guy who looked like Susskind was still doing the talking.

Letter To The Editor

Since it is impossible for me to write the many hundred letters of thanks and appreciation which I would like to send to all community agencies, their staff members, the news media and all their staff members, as well as individuals, board members and volunteers of the Area Red Cross Chapter, I hope you will permit me space to express my gratitude to all the above, as well as other residents of the area for their kindness and wonderful cooperation during the three years I spent in the Area Red Cross Chapter.

There have been many kind remarks made about what I tried to accomplish and yours were greatly appreciated. However, I do not deserve them. I am not being modest or humble, just realistic. No one person can give the guidance and do the work of a Red Cross Chapter in a community.

The tributes are due to the volunteers and residents of the area for the work they have done. All I was able to do was apply the knowledge I had gained from years of experience to situations and seize opportunities presented to pass or that knowledge. I had fun. I thoroughly enjoyed the time I spent in the area. I particularly enjoyed my work with the people of the area, their friendship and their willingness to help.

There are many people whom I would like to name personally who have contributed to the growth of the chapter. However, I realize there isn't enough space to do that. But I do wish to name a few, without whom the Area Red Cross Chapter could not have been developed. To Mrs. J. D. Thompson both the Chapter and the community owe much; to Mrs. J. Edward Monier who has given so much of her time in the office and in the assignment of volunteers, much credit is due. Without the leadership of the former chairman, Norman Nicely, and the present one, Charles Lang, very little would have been accomplished.

The list is endless, but I am sure that all my former coworkers who read this will realize that it is a tribute to them and not to me that has been so graciously paid by the community. To them I, too, would like to pay my personal tribute and to say thank you from the bottom of my heart, for their many kindnesses to me.

Were it not for the American Legion Post 4, the Jaycees and Red Cross volunteer editors Mrs. Ben Berman, Mrs. William Cooper and Mrs. Craig Anderson, there would not be a "Valley Voice" — that newsletter which the area servicemen overseas seem to appreciate so much.

Had it not been for the Rescue Mission, the Catholic Charities, the Salvation Army, the Department of Public Welfare, the staff of both hospitals and other community agencies there could not have been given as much help in individual situations and as much accomplished. Without community cooperation in the United Fund, the Red Cross programs needed in the area could not have been developed.

All of this last part has been to say please do continue the cooperation of individuals and agencies which I have noted and been able to take advantage of during my work with the local Red Cross Chapter.

A community is what the people make it. The people of East Liverpool and the entire area have demonstrated their willingness to work together for the betterment of their area.

Thanks again to all of you. I shall miss the East Liverpool area and my many friends. To all I wish good luck and the best of everything. If I have offended anyone in my hurried efforts to do as much as was possible in the short time I knew was available to me in the community, I am indeed sorry.

So long for now. Hope to see many of you in the future.

Era Of Discontent

With the Republican National Convention only a week away, the latest Gallup Poll shows that 60 per cent of the rank-and-file Republicans want Nixon, and 23 per cent favor Rockefeller, while 7 per cent would like to see Reagan nominated as the Republican candidate. The remaining 10 per cent is scattered among a number of others who really are not in the race.

Nixon's strength is not surprising. His lead is due to the fact that he is better known in political circles in the rural and small-towns as well as the big-city districts than is the governor of New York.

Nixon was vice president for eight years and previously had served in the Senate and the House of Representatives, and this naturally gives him a prestige among regular Republicans that a state governor would not normally acquire.

THE "RANK AND FILE" Republicans are not as large a group as in previous years because the so-called "independents" have grown in number. This segment is recorded in the latest poll as 38 per cent for Nixon, 35 per cent for Rockefeller, 10 per cent for Reagan, and 17 per cent for other aspirants or undecided.

The "regular" Republican group has a history of constant identification with the party, and is made up of businessmen, farmers and persons in all walks of life who do not go along with the philosophy of government represented by the Democratic administration.

Tradition is against the prospect of a fundamental change in the regular Republican ranks. This means, of course, that the delegates chosen from most of the states will vote for someone who isn't identified with the school of thought which has insisted on a "spend and spend" policy.

The average Republican wants to see an administration in Washington which will reverse the trend of the last eight years—away from huge deficits by the federal government and the resulting inflation which has caused the cost of living to rise considerably.

There are, however, other issues which have come up that have attracted voters to the Republican side. They arise to a large extent from a general dissatisfaction over the failure of the Democratic administration to maintain law and order. The belief is widespread that the administration has been too tender with lawbreakers and that there has been too much tolerance of the "militants."

The Democrats have always had substantial majorities in the big cities, but the protest vote on the problem of law and order may cause many Democrats in the large centers of population to vote Republican. People in the cities are in a constant state of apprehension about crime in the streets.

This may be the main reason why the Republicans have a better chance of winning the election this year than in recent campaigns. If Nixon is their candidate, he probably will be articulate on the subject of law and order, and undoubtedly will cite the reluctance of the Johnson administration to take action with respect to the conspiracies which have produced riots in many cities.

The tendency of the administration has been to argue that there have been no conspiracies and that the riots have been spontaneous outbreaks. Evidence turned up by the Federal Bureau of Investigation that this isn't the case is said to have been suppressed.

THERE ARE PLENTY of issues which are producing discontent throughout the country. Delegates going to the Republican convention will be well aware of how the voters in their areas—not merely the regular Republicans but the independents and dissident Democrats — feel about these issues. They are not likely to overlook the importance of nominating a candidate who will take a firm position on domestic problems which are giving citizens so much concern.

Although President Johson will not be a candidate, the Democratic nominee will have to bear the burden of the criticism of national and international policies of the last eight years.

This could bring about a shift of many "independents" and Democrats to the Republican side. If Nixon is nominated, he will certainly carry on in his speeches a persistent attack on the administration policies which have brought nationwide discontent among the voters.

Edward Kennedy's Decision

Sen. Edward M. Kennedy of Massachusetts has made a decision that would be extremely difficult for any politician at the national level to make. He has turned down the almost sure opportunity to seek the second highest office in the United States.

In announcing, after much soul-searching, that he would not be able to accept the vice presidential nomination this year, he put aside any personal ambition for this high office he may have had, to shoulder his family responsibilities.

THIS INCLUDES responsibility for 15 children, including 10 of Robert Kennedy's and two of John's.

In making his decision, Sen. Kennedy has won the respect of millions of Americans, Republicans as well as Democrats. Although the decision was his, and he said it is final and firm, he heeded the advice of many of his close friends who believe the Kennedy family has given enough to this nation and suffered far too much from it.

Somewhere among his many thoughts leading up to his decision, there must have been one which pulled at him to pick up the torch which had fallen twice and try to fulfill and complete the unfinished contributions of the Kennedys to the welfare of this nation.

In holding this desire in check, Edward Kennedy has not necessarily abandoned it. He included the words "this year" in his rejection statement and indicated he would continue to speak out or his beliefs in his capacity as a senator.

SEN. KENNEDY is a young man. There will be another day, politically speaking, after the hurtful memories of his brothers' deaths are not so sharp, and after the younger generation of male Kennedys have attained adulthood.

Most Americans, we feel, will understand Sen. Kennedy's decision, sympathize with him and respect him for it.

California Leads The Way

California, long recognized as one of the nation's most beautiful stages, has also been known as the state which contains some of the worst smog areas in the nation.

Because of this latter undesirable distinction, California took the initiative in pioneering antipollution activities as early as 1948.

Los Angeles, where the smogs were the worst, led the way by instituting regulations controlling the activities of industries, utilities, and private individuals relative to air pollution.

NOW, DETERMINED TO HAVE clean air by 1975, the Golden State has enacted a new law which is designed to force the nation's automobile manufacurers to develop and install more efficient antismog devices in their products or risk the loss of their best market.

Gov. Ronald Reagan made the Pure Air Act of 1968 official last week with his signature, declaring that the act is a major step forward in the removal of the automobile as a primary source of air pollution in California.

The act sets up standards as to the amount of gasses which can be emitted from motor vehicle exhausts. These gases currently account for 10 per cent or more of the smog in California.

President Johnson, in his message to Congress Jan. 30, 1967, said, "Ten years from now, when industrial production and waste disposal have increased and the number of automobiles on our streets and highways exceeds 110 million, we shall have lost the battle for clean air — unless we strengthen our regulatory and research efforts now."

So far the polluters are winning the race with those promoting antipollution, experts agree.

Industry, though it has done much in recent years to reduce its air-polluting activities nevertheless is resistant to controls and restrictions on its operations.

Automobile manufacturers have been fearful of putting emission-control devices on their cars because they are expensive. If they were to act without comparable action on the part of the other automobile manufacturers, they would suffer a major competitive disadvantage.

BUT CALIFORNIA'S new law may force all the manufacturers to solve the pollution problem as it applies to their cars for, beginning with the 1970 models, no car can be sold or registered within the Golden State unless it meets the state's standards.

California apparently means business in its drive for clean air. Other states might well heed its initiative.

Free Methodists Launch Meeting

Ninety churches were represented when the Pittsburgh Conference of the Free Methodist Church of North America was launched Monday at the campgrounds on Anderson Blvd.

Bishop Myron F. Boyd of Winona Lake, Ind., opened the 86th session with a communion service for ministers, their wives and delegates.

The Rev. R. S. McGrew of Fairmont, W. Va., was elected secretary and Mrs. Carrie Schuler of New Brighton, Pa., and the Rev. Harry Miller of Wilmore, Ky., were named assistant secretaries.

—:—

THREE superintendents were elevated — the Rev. R. D. Merkle of East Liverpool, the Rev. B. T. Page of Apollo, Pa., and the Rev. E. W. Cowsert of Uniontown, Pa. They, along with three laymen — V. T. Woods of Tarentum, Pa., Edward Savage of Hopwood, Pa., and L. W. Haire of New Brighton — will comprise the stationing committee which will make appointments of ministers to churches of the conference for the year 1968-69.

Three ministers were elected to elders' orders — the Rev. Darrell Carney of Martins Ferry, the Rev. John States of Black Lick, Pa., and the Rev. Petro of Natrona Heights, Pa.

A World Mission budget of $92,000 was approved for the year and a gain in membership reported.

—:—

A **MINISTERS'** pension plan was outlined, effective Jan. 1.

Representatives were present from the Gerry Homes, maintained at Gerry, N.Y., for the aged; Roberts Wesleyan College, North Chili, N. Y., and Oakdale (Ky.) High School.

Bishop Boyd discussed "Ministering In A Changing World" during an address at 8 last night.

Sessions are held daily at 8:30 a.m., 1:30 p.m. and 7 p.m., with plans now calling for the windup of the session Wednesday.

Conference officials pointed out, however, that the press of business may necessitate the calling of a special session Thursday.

Levy Votes Set For Two County School Districts

East Palestine and Columbiana boards of education have filed proposed tax levies for the November general election ballot with the Columbiana County Board of Elections. Both are for renewals.

The East Palestine board filed to have two separate 2.6 mill levies placed on the ballot, both for continuing periods. One is to begin the tax year of 1968 and the other for the tax year of 1969.

The Columbiana Exempted Village Board of Education filed for renewal of two levies totaling 5.7 mills, both for a continuing period starting with the 1969 tax year.

Both are listed for current expenses.

Judge Blocks Release Bid

LISBON — Judge Raymond S. Buzzard of Common Pleas Court Monday overruled a request that William (Larry) Nesbitt, 19, of Lisbon be released from the Ohio State Reformatory and be placed on probation for four armed robberies.

Judge Buzzard left little doubt what his ruling would be three weeks ago when he heard Nesbitt's counsel, Charles Pike of Lisbon, argue the motion.

"I want the people in this county to get the idea if you commit serious crimes you are going to be punished," the judge said July 5.

He reserved a decision, but he said he had not changed his mind about the punishment since he denied the youth's request for probation April 30 and sentenced him to four concurrent sentences of 1 to 25 years. He allowed Nesbitt credit for time in jail since Feb. 5 when he pleaded guilty to the four indictments.

The January grand jury indicted Nesbitt for robberies Oct. 9 and 20 at the Little Diner on Harvey Ave., East Liverpool; Oct. 10 at Gilmore's service station in Glenmoor, and Oct. 14 at Saltsman's Drugstore in Calcutta. Nesbitt, who was living in East Liverpool at the time, used a pistol in each instance.

A $50,000 management improvement grant was awarded the Community Action Commission of the Cincinnati area.

The Council for Economic Opportunities of Greater Cleveland will get $40,310 for a community camping project and a $1,820 emergency fund for the summer cultural enrichment program.

A spokesman for the company said both the company and the local had agreed to accept whatever economic settlement is negotiated with the basic steel industry.

Didn't Hurt A Bit

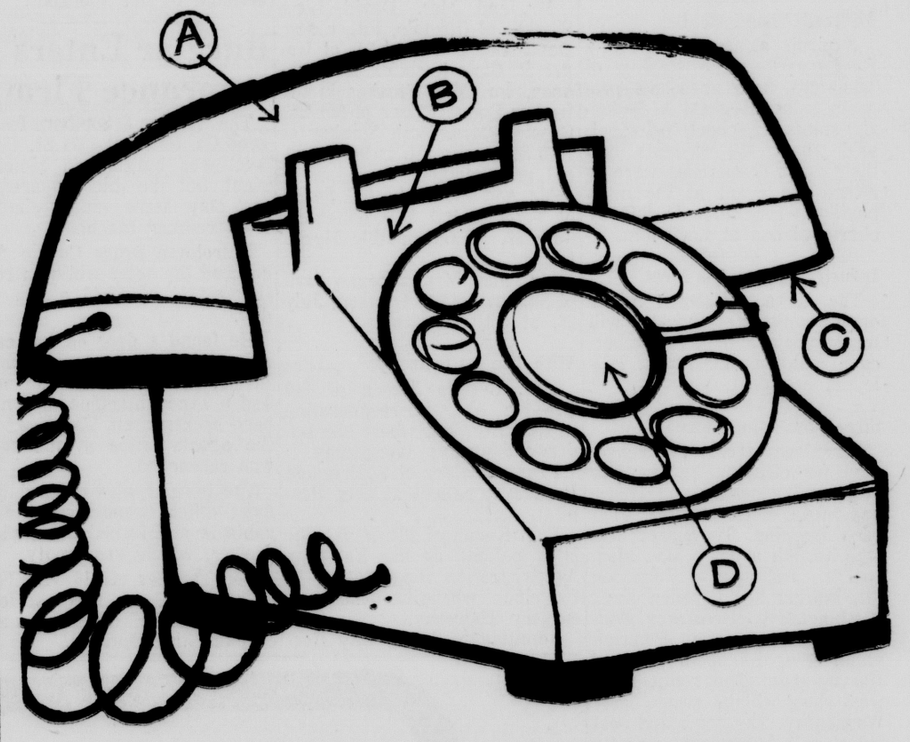

WELLS, England (AP) — An ultrasonic dental drill was used by Richard Scott, a ceramics conservator on the staff of London's Victoria and Albert Museum, to remove corrosion and deposits of lime and lichen from a 13th century stained glass window in Wells Cathedral. The drill was never allowed to touch the window. Instead a tiny jet of water carried ultrasonic vibrations, 25,000 a second, to the working surface.

50,000 Seen Slain In Red China Revolt

HONG KONG (AP) — Civil war has been raging throughout Red China's Kwangsi Province bordering North Vietnam in the past six months and some 50,000 people have been massacred, a purported Red Guard publication seen here today said.

Fighting between supporters and enemies of Chairman Mao Tse-tung has spread to 56 cities, counties and towns in Kwangsi, the publication said.

Both sides used "modern weapons and ammunition" said the July issue of "422 Magazine," purportedly published in Kwangsi.

It is impossible to determine the authenticity of the publication but many arrivals from China said most of the cities in Kwangsi were "off limits" to travelers.

The publication said agents of Mao's arch foe, president Liu Shao Chi, "a small minority of men in power and capitalist elements in Kwangsi are responsible for the mass massacre.

"They stole much needed weapons and ammunition for the People's Republic of Vietnam to kill Red Guards loyal to Chairman Mao Tse-tung."

The publication said most of the 50,000 killed were Red Guards. Some observers said if the report were true, the casualty number could be much higher.

Others believe that the publication deliberately exaggerated the casualty figure hoping the Red Guards could receive military help from Peking.

Salineville Span Will Be Opened

LISBON — The new Nancy Run bridge in the East End of Salineville will be open to traffic Wednesday evening, providing weather conditions permit blacktopping scheduled that day, according to John Ursu, Columbiana County engineer.

Built by R. C. Krause, Construction of Canfield, at a cost of $30,174, the bridge is the first pre-stressed concrete structure in the county, Ursu said.

The span has a 24-foot roadway plus a four - foot sidewalk on each side. It replaces an old steelabeam bridge with a 16-foot roadway.

Jet Due Examination That Hit Sea Gulls

CLEVELAND (AP)—Authorities will examine a $1.5 million dollar jet plane that hit a flock of sea gulls at Burke Lakefront Airport Sunday and crashed into Lake Erie.

The plane was pulled from the lake Monday and taken to the airport fire station for examination by government, airline and insurance investigators.

The three crew members aboard the plane were rescued shortly after it hit the water. The aircraft is owned by executive Jet Aviation of Columbus.

He was reported in fair condition at St. Luke's Hospital with wounds of the face and abdomen.

The second man was identified at St. Luke's as Alex Shaffer, 66. He was reported in fair condition.

Witnesses said Shaffer was standing outside the cafe and apparently was hit by a stray bullet.

Lie Detector Discussed At Club Meeting

Operation of a lie detector machine was discussed when the Southern Ruritan Club met Monday night at the Bethel Presbyterian Church.

James R. Gause, a special investigator in the Columbiana County prosecutor's office, was the speaker.

He pointed out how the machine at times saves the taxpayer money, explaining:

"Many times when persons are given a test, and are shown the results, they then will tell the truth, thus saving the expense of a court trial." Gause added that the lie detector machine has been proven 97 per cent correct this past year. It is used extensively on sex offenders and juveniles who are cited to Judge Tobin's court, he said.

Robert Seigler was program chairman. The Rev. William Harper offered prayer.

Guests included Jack Harrington of San Francisco, Robert Kiggans of Michigan and Cliff Baughman of Wellsville.

Walter Nelson, president, announced that a picnic is planned for the Aug. 26 meeting at Hammond Park in Wellsville. It will be a coverdish affair at 7. Pete Mase will be chairman.

Tentative plans also were announced for touring the Ohio Edison plant at Stratton in September.

To Protect LBJ, Candidates

Tight Security Arranged For Democrat Convention

CHICAGO (AP) — Fifteen thousand soldiers, police and federal agents will turn the site of the Democratic National Convention into an armed camp next month in a giant security operation.

The security arrangements could turn the convention—normally a horn-blowing spectacular—into an austere exercise in martial order.

Racial tensions in the city and the crowds of demonstrators and hippies who plan to come to Chicago will compound the job of keeping order and protecting President Johnson and the candidates.

Deployed round-the-clock at Chicago International Amphitheatre, and at hotels and motels housing delegates, will be some 8,000 uniformed and undercover policemen, 5,500 riot-trained National Guardsmen and at least 1,000 federal agents.

More men will be available on short notice from the Cook County sheriff's office, state police, the Coast Guard and the FBI. The remainder of Chicago's 12,000-man police department, including a mobile 600-man task force, will be on standby.

All security procedures are being coordinated by the Secret Service, charged with protecting the president, vice president and political candidates.

The Secret Service has 580 agents across the country and most will be in Chicago during convention week, Aug. 25-30.

Though plans are under tight wraps, it presumably was the Secret Service which ordered two Air Force reconnaissance jets to make low passes over Chicago last week to photograph the Amphitheatre and surrounding terrain.

Security measures are being taken on the Amphitheatre grounds, which sprawl across the eastern edge of the Union Stockyards on the racially tense South Side. Fences are going up and heliports being constructed, reportedly for air-lifting candidates to and from the hall.

The Amphitheatre, with 585,000 square feet of floor space under a single roof, will be sealed off within roughly an eight-square-block buffer zone.

To penetrate the perimeter, both pedestrians and vehicles will be required to display Democratic National Committee credentials. Inside, checkpoints will be established where guards reportedly will tear off perforated sections of the passes, good for only one day.

Traffic court will be closed Aug. 17-30, freeing 23 magistrates to process large numbers of prisoners in the event of a disturbance.

Each magistrate could hear well over 200 civil disorder cases a day.

The whole operation, both in scope and magnitude, appears to have taken on the aspect of a military movement.

Said one high police department source, "the security is the most elaborate ever devised for a convention anywhere."

The number of persons expected to converge on the city for antiwar and civil rights demonstrations ranges in the thousands.

The National Mobilization Committee, organizer of a march on the Pentagon by war protestors, has promised "the largest demonstrations in American history" at the Amphitheatre Aug. 27, President Johnson's birthday, and Aug. 28, the day of the nomination. They also plan a march through the Loop on the 28th.

The Free City Survival Committee, a hippie group, hopes to bring 50,000 youths to the city for a pop-music festival and "un-convention." They say they will not live in parks, but have not received permission for the camp-in.

Allard Lowensteni, an engineer of the dump-Johnson movement last fall, said his Coalition for an Open Convention will stage a mass rally on convention eve. So far, however, the city has refused to grant him a meeting place.

Also planning to come are the Rev. Ralph D. Abernathy, with a small delegation of the poor, and the Mississippi Freedom party. They will be seeking convention seats.

All the groups guarantee orderly, nonviolent demonstrations. "It's foolish to think we're going to break police lines . . . or disrupt the convention" said Rennie Davis of the National Mobilization Committee.

The world's first typewriter was patented in England in 1,14.

Publication Set For Reports On City's Planning

Plans were advanced for "Focus On Progress," a publication which will be issued by a committee affiliated with the City Planning Commission, during a meeting Monday afternoon.

Mrs. Carol Walton, chairman, said the first issue should be available by Sept. 1 for those concerned with planning and progress in the area. Additional issues will be placed in prominent places for the public, Don Eckert, planning coordinator, said. He said Mrs. Walton probably will serve as editor.

Those attending included Mrs. Walton, Russel Mathews of the Potters Herald, Robert Afflerbach of the National Church Supply Co., Mrs. Richard Darrah and James Grafton of the Planning Commission.

50,000 Seen Slain In Red China Revolt

HONG KONG (AP) — Civil war has been raging throughout Red China's Kwangsi Province bordering North Vietnam in the past six months and some 50,000 people have been massacred, a purported Red Guard publication seen here today said.

Fighting between supporters and enemies of Chairman Mao Tse-tung has spread to 56 cities, counties and towns in Kwangsi, the publication said.

Both sides used "modern weapons and ammunition" said the July issue of "422 Magazine," purportedly published in Kwangsi.

It is impossible to determine the authenticity of the publication but many arrivals from China said most of the cities in Kwangsi were "off limits" to travelers.

The publication said agents of Mao's arch foe, president Liu Shao Chi, "a small minority of men in power and capitalist elements in Kwangsi are responsible for the mass massacre.

"They stole much needed weapons and ammunition for the People's Republic of Vietnam to kill Red Guards loyal to Chairman Mao Tse-tung."

The publication said most of the 50,000 killed were Red Guards. Some observers said if the report were true, the casualty number could be much higher.

Others believe that the publication deliberately exaggerated the casualty figure hoping the Red Guards could receive military help from Peking.

Salineville Span Will Be Opened

LISBON — The new Nancy Run bridge in the East End of Salineville will be open to traffic Wednesday evening, providing weather conditions permit blacktopping scheduled that day, according to John Ursu, Columbiana County engineer.

Built by R. C. Krause, Construction of Canfield at a cost of $30,174, the bridge is the first pre-stressed concrete structure in the county, Ursu said.

The span has a 24-foot roadway plus a four - foot sidewalk on each side. It replaces an old steelabeam bridge with a 16-foot roadway.

Jet Due Examination That Hit Sea Gulls

CLEVELAND (AP)—Authorities will examine a $1.5 million dollar jet plane that hit a flock of sea gulls at Burke Lakefront Airport Sunday and crashed into Lake Erie.

The plane was pulled from the lake Monday and taken to the airport fire station for examination by government, airline and insurance investigators.

The three crew members aboard the plane were rescued shortly after it hit the water. The aircraft is owned by executive Jet Aviation of Columbus.

To Protect LBJ, Candidates

Tight Security Arranged For Democrat Convention

CHICAGO (AP) — Fifteen thousand soldiers, police and federal agents will turn the site of the Democratic National Convention into an armed camp next month in a giant security operation.

The security arrangements could turn the convention—normally a horn-blowing spectacular—into an austere exercise in martial order.

Racial tensions in the city and the crowds of demonstrators and hippies who plan to come to Chicago will compound the job of keeping order and protecting President Johnson and the candidates.

Deployed round-the-clock at Chicago International Amphitheatre, and at hotels and motels housing delegates, will be some 8,000 uniformed and undercover policemen, 5,500 riot-trained National Guardsmen and at least 1,000 federal agents.

More men will be available on short notice from the Cook County sheriff's office, state police, the Coast Guard and the FBI. The remainder of Chicago's 12,000-man police department, including a mobile 600-man task force, will be on standby.

All security procedures are being coordinated by the Secret Service, charged with protecting the president, vice president and political candidates.

The Secret Service has 580 agents across the country and most will be in Chicago during convention week, Aug. 25-30.

Though plans are under tight wraps, it presumably was the Secret Service which ordered two Air Force reconnaissance jets to make low passes over Chicago last week to photograph the Amphitheatre and surrounding terrain.

Security measures are being taken on the Amphitheatre grounds, which sprawl across the eastern edge of the Union Stockyards on the racially tense South Side. Fences are going up and heliports being constructed, reportedly for air-lifting candidates to and from the hall.

The Amphitheatre, with 585,000 square feet of floor space under a single roof, will be sealed off within roughly an eight-square-block buffer zone.

To penetrate the perimeter, both pedestrians and vehicles will be required to display Democratic National Committee credentials. Inside, checkpoints will be established where guards reportedly will tear off perforated sections of the passes, good for only one day.

Traffic court will be closed Aug. 17-30, freeing 23 magistrates to process large numbers of prisoners in the event of a disturbance.

Each magistrate could hear well over 200 civil disorder cases a day.

The whole operation, both in scope and magnitude, appears to have taken on the aspect of a military movement.

Said one high police department source, "the security is the most elaborate ever devised for a convention anywhere."

The number of persons expected to converge on the city for antiwar and civil rights demonstrations ranges in the thousands.

The National Mobilization Committee, organizer of a march on the Pentagon by war protestors, has promised "the largest demonstrations in American history" at the Amphitheatre Aug. 27, President Johnson's birthday, and Aug. 28, the day of the nomination. They also plan a march through the Loop on the 28th.

The Free City Survival Committee, a hippie group, hopes to bring 50,000 youths to the city for a pop-music festival and "un-convention." They say they will not live in parks, but have not received permission for the camp-in.

Allard Lowensteni, an engineer of the dump-Johnson movement last fall, said his Coalition for an Open Convention will stage a mass rally on convention eve. So far, however, the city has refused to grant him a meeting place.

Also planning to come are the Rev. Ralph D. Abernathy, with a small delegation of the poor, and the Mississippi Freedom party. They will be seeking convention seats.

All the groups guarantee orderly, nonviolent demonstrations. "It's foolish to think we're going to break police lines . . . or disrupt the convention" said Rennie Davis of the National Mobilization Committee.

The world's first typewriter was patented in England in 1714.

Publication Set For Reports On City's Planning

Mrs. Carol Walton, chairman, said the first issue should be available by Sept. 1 for those concerned with planning and progress in the area. Additional issues will be placed in prominent places for the public, Don Eckert, planning coordinator, said. He said Mrs. Walton probably will serve as editor.

Those attending included Mrs. Walton, Russel Mathews of the Potters Herald, Robert Afflerbach of the National Church Supply Co., Mrs. Richard Darrah and James Grafton of the Planning Commission.

ANN LANDERS

Don't Like It? Stay Home

By Ann Landers

Dear Ann Landers: I'm returning to my native Europe after one year in America. Before I leave I'm posting this letter of farewell with a few observations. Perhaps it will do you Americans good to know how you look in the eyes of a visitor.

American men are slobs. American women are the most vulgar, overdressed, overbearing females on the face of the earth. Your children are insufferable. They are brash, undisciplined, and clearly in control of their parents.

Your newspapers are frightfully trashy. Your TV programs cater to the lowest common denominator. The commercials are gauche and unappetizing. Your radio programs assault the eardrums and are designed for idiots. Your motorists are 80 per cent suicidal and 20 per cent homicidal. Your once beautiful countryside is fast disappearing behind hideous billboards and orange and green neon signs.

America, which advertises itself as the most prosperous and progressive country in the world, is culturally bankrupt. The movies which do well are nothing but peep-hole sex shows. The fine books do not sell. The excellent plays do not survive. Opera is drawing its last breath. Your museums and art galleries are tombs of silence but the bowling alleys, go-go joints and bawdy clubs are crowded. Drunkenness is commonplace and homosexuals are accepted everywhere.

Now that I have seen America I can go back and tell my friends who long to go there that they should save their money. You have nothing worth seeing or listening to. — GLAD TO BE GOING HOME.

-:-

Dear Glad: Thank you for your farewell letter. Benjamin Franklin provided an appropriate response. He said:

"Our country offers to strangers nothing but a good climate, fertile soil, wholesome air (this was written 200 years ago), free government, wise laws, liberty, a good people to live among, and a hearty welcome. Those of other lands who have all these things or greater advantages at home would do well to stay where they are."

Dear Ann: Seven months ago our daughter (age 16) got herself into trouble with a 17-year-old boy. His parents said he could not marry Winifred unless she agreed to move into their home so the boy could finish high school.

Winnie had a miscarriage six weeks after the wedding. I was not surprised. She and her husband went bowling or roller skating almost every night and ate hot dogs and root beer for dinner. The day Winnie had her miscarriage they had spent several hours in the amusement park riding shoot-the-chutes and bum-the-auto.

Winnie quit high school in her junior year when she became pregnant. Her in-laws think she should go to work now and pay something toward their room and board. Her husband has one more year of high school. We say HE should quit school and go to work and support his wife. What do you say? — OUTSIDERS NOW.

Dear Now: I say it's a mess. Neither one of them knows any more about marriage than a hog knows about Sunday. They should BOTH stay in school and get diplomas.

In the meantime, I hope you haven't rented Winifred's room. I think she'll be home pretty soon.

To Deal With Snipers

Stokes Says Police Need Guerrilla-Type Training

CLEVELAND (AP) — Mayor Carl B. Stokes says the police need guerilla type training to deal with the kind of sniper battle waged on Cleveland's East Side last week.

Police Chief Michael Blackwell said the danger isn't over yet and machine guns may still be hidden in the area.

"We are still trying to find those guns," Blackwell said Monday in a news conference, adding they were not "sub machine guns, but the tripod military type. . . "

Blackwell agreed with the Mayor's move last Wednesday to withdraw white policemen and National Guardsmen from a six-square mile area in the Glenville section.

Blackwell said machine guns were "waiting for those men We would have been sending men into a death trap."

Stokes said at a news conference that "my concern that night was that no white policemen—or any other citizen—be killed and that no confrontation take place that might lead to this."

The request for guerilla training was made by the Fraternal Order of Police, who presented Stokes with a list of police grievances dealing with the racial disorders.

The police asked for high-powered rifles, armored vans, vans and shields. Police borrowed Brink's armored cars last Tuesday during the sniper attack that left 10 dead, including three policemen.

Stokes said police now receive training in crowd control and dispersal but added this training is practically useless in a battle such as police wages last week.

"The riot control training our police receive does not equip them for the type of fighting they had out there," he said. The mayor added he did not feel that race relations would be harmed if the Negro community knew the police were undergoing guerilla training.

Police also asked Stokes for a rumor control center to help curb the spread of rumors that might inflame situations if left unchecked.

Frank Shaefer, president of the FOP, said after a two-hour long meeting with Stokes that much had been done to resolve police grievances.

In another development Monday connected with the disturbances, the Ohio News Photographers Association filed a protest against the alleged beating of two National Broadcasting Company cameramen by police Sunday.

The association said in a statement:

"We do not expect a policeman, whose duty it is to uphold the law and guarantee every citizen his constitutional rights, to turn on us and become our attacker."

The statement said the incident in Cleveland "was not the first, but is the most serious of several incidents in recent months where ONPA feels freedom of the press has been infringd upon."

Others include two major crashes at Greater Cincinnati Airport, a racial disturbance in Columbus and similar events, the ONPA said.

Railroads Report County Tax Load

Columbiana County received more than $380,000 in property taxes from the railroads in 1967, it was reported today by Daniel J. Butler, chairman of the Railroad Community Service Committee of Cleveland.

Actual payments amounted to $380,988, an increase of $54,117, or approximately 13.5 per cent compared with 1966 payments, according to Butler, freight sales manager for the Penn Central at Cleveland.

Schools benefited most from these payments, receiving $278,037, and the remainder went toward support of local governments such as courts and police and fire departments, the chairman of the rail group said.

He noted that, in the face of rising taxes, the railroads' return on net property investments dropped to 2.45 per cent last year, a decline of 1.45 per cent compared with the preceding year. "This was due primarily to higher wage and materials costs without sufficient rate increases to offset them," Butler said.

Sixteen buildings are completed in Rio de Janeiro every 24 hours.

Merger Planned By Westinghouse And MCA Firm

PITTSBURGH (AP) — A plan to merge MCA, Inc., a producer of movies and television programs, into the Westinghouse Electric Corp. has been announced by the presidents of the companies.

D.C. Burnham, president of Westinghouse, and Jules C. Stein chairman of MCA, said Sunday the merger is subject to approval by the boards of both companies and MCA stockholders as well as a favorable tax ruling.

They said that MCA will continue operating under its present management if the deal goes through.

In addition to movies and TV shows, MCA makes phonograph records and owns the Universal City film studios, Columbia Savings & Loan Association of Colorado and Spencer Gifts, Inc. a mail order distribution house.

Westinghouse, a giant in the electrical equipment industry, also operates a chain of radio and television stations.

The terms of the merger call for the exchange of one share of MCA common stock for .677 of a share of Westinghouse convertible preference $3.00 cumulative dividend stock.

Th companies said the preference stock could be callable by Westinghouse for five years. It said it could be redeemed after that at $85 a share.

The preference stock could be converted into one share of Westinghouse common stock during the first five years after issue, the companies said. In the sixth through tenth years, the conversion ratio would be reduced by .01 share on each successive year, they said.

In South Vietnam

'Credit Card' Introduced To Nip Black Marketing

WASHINGTON (AP) — The U.S. Command has introduced something like a credit card as its newest weapon against black marketing and dollar profiteering in South Vietnam, Pentagon officials report.

Currency control plates must now be used when a serviceman converts his military script to cash or when he spends it on certain high-priced post exchange goods.

Troops stationed in Vietnam are paid in scrip, or Military Payment Certificates (MPC), instead of dollars.

The plastic cards are used to stamp special forms which are fed through computers to give U.S. officials in Saigon a constant watch on the volume of converted scrip as well as on PX buying.

For example, if a man converts more than the authorized amount of scrip into dollars or money orders, the computer kicks out a card identifying him and showing all his recent transactions.

The plate also is used in recording all purchases of goods sought by black marketeers: cameras, television sets, tape recorders, stereo systems, radios, airline tickets and other luxury items.

The Pentagon acknowledges that servicemen have been bribed into converting scrip into dollars for money manipulators in Saigon; some have been using illegally obtained scrip to buy PX items for black marketeers.

Scrip was introduced in Vietnam in 1965 as a means of keeping U.S. dollars off the market and easing the impact of American spenling on the country's inflated economy.

But illicit money manipulation and illegal sales of American goods are a continuing problem.

The U.S. Command has been forced to progressively tighten controls over American currency in South Vietnam to curb black market activities.

One of the latest restrictions, Pentagon officials say, went into effect last may: A $200 limit on the amount of scrip a serviceman can convert into cash when he is about to return to the United States.

He can exceed this limit only in the case of personal emergencies and then only with special permission.

The Pentagon says currency controls are needed because the dollar in Vietnam remains "in great demand" and "highly sought after through both legal and illegal means."

"This is especially true of Communist nations lacking normal trade relations with the free world, particularly North Vietnam and Red China."

The $200 limit is designed to "reinforce the effectiveness" of the scrip system, which, in the final analysis, is supposed to help protect the American dollar, the Pentagon said.

District Scouts Open Final Camp Session

LISBON — The sixth and final week of the summer camping season for Columbiana Council Boy Scouts began Sunday for 55 boys from four troops.

In camp are Lisbon Troops 1 and 95, Salem 5 and Hanoverton 52. This is a "provisional" troop of boys from several communities.

Camp Fire Girls from Columbiana will use the camp next week. Director Jim Wilhide of Canfield and his staff will remain on duty.

Author Claims Barge Of Railroad Company

RICHMOND, Calif. (AP) — The Santa Fe Railroad is involved in a salvage dispute with a bearded, 52-year-old author over a 280-foot barge the railway uses to ferry its cars across San Francisco bay.

Robert Read, the author sighted the barge off Point Richmond last Friday, unmanned and drifting. He boarded, dropped anchor and claimed salvage rights.

Santa Fe towed the barge back to its dock and has turned the question over to its attorneys.

Read, who said he had done "what any responsible citizen would do," added: "the thought of pecuniary gain did cross my mind."

Schools benefited most from these payments, receiving $278,037, and the remainder went toward support of local governments such as courts and police and fire departments, the chairman of the rail group said.

He noted that, in the face of rising taxes, the railroads' return on net property investments dropped to 2.45 per cent last year, a decline of 1.45 per cent compared with the preceding year. "This was due primarily to higher wage and materials costs without sufficient rate increases to offset them," Butler said.

Merger Planned By Westinghouse And MCA Firm

PITTSBURGH (AP) — A plan to merge MCA, Inc., a producer of movies and television programs, into the Westinghouse Electric Corp. has been announced by the presidents of the companies.

D.C. Burnham, president of Westinghouse, and Jules C. Stein chairman of MCA, said Sunday the merger is subject to approval by the boards of both companies and MCA stockholders as well as a favorable tax ruling.

They said that MCA will continue operating under its present management if the deal goes through.

In addition to movies and TV shows, MCA makes phonograph records and owns the Universal City film studios, Columbia Savings & Loan Association of Colorado and Spencer Gifts, Inc. a mail order distribution house.

Westinghouse, a giant in the electrical equipment industry, also operates a chain of radio and television stations.

The terms of the merger call for the exchange of one share of MCA common stock for .677 of a share of Westinghouse convertible preference $3.00 cumulative dividend stock.

Th companies said the preference stock could be callable by Westinghouse for five years. It said it could be redeemed after that at $85 a share.

The preference stock could be converted into one share of Westinghouse common stock during the first five years after issue, the companies said. In the sixth through tenth years, the conversion ratio would be reduced by .01 share on each successive year, they said.

'Credit Card' Introduced To Nip Black Marketing

WASHINGTON (AP) — The U.S. Command has introduced something like a credit card as its newest weapon against black marketing and dollar profiteering in South Vietnam, Pentagon officials report.

Currency control plates must now be used when a serviceman converts his military script to cash or when he spends it on certain high-priced post exchange goods.

Troops stationed in Vietnam are paid in scrip, or Military Payment Certificates (MPC), instead of dollars.

The plastic cards are used to stamp special forms which are fed through computers to give U.S. officials in Saigon a constant watch on the volume of converted scrip as well as on PX buying.

For example, if a man converts more than the authorized amount of scrip into dollars or money orders, the computer kicks out a card identifying him and showing all his recent transactions.

The plate also is used in recording all purchases of goods sought by black marketeers: cameras, television sets, tape recorders, stereo systems, radios, airline tickets and other luxury items.

The Pentagon acknowledges that servicemen have been bribed into converting scrip into dollars for money manipulators in Saigon; some have been using illegally obtained scrip to buy PX items for black marketeers.

Scrip was introduced in Vietnam in 1965 as a means of keeping U.S. dollars off the market and easing the impact of American spenling on the country's inflated economy.

But illicit money manipulation and illegal sales of American goods are a continuing problem.

The U.S. Command has been forced to progressively tighten controls over American currency in South Vietnam to curb black market activities.

One of the latest restrictions, Pentagon officials say, went into effect last may: A $200 limit on the amount of scrip a serviceman can convert into cash when he is about to return to the United States.

He can exceed this limit only in the case of personal emergencies and then only with special permission.

The Pentagon says currency controls are needed because the dollar in Vietnam remains "in great demand" and "highly sought after through both legal and illegal means."

"This is especially true of Communist nations lacking normal trade relations with the free world, particularly North Vietnam and Red China."

The $200 limit is designed to "reinforce the effectiveness" of the scrip system, which, in the final analysis, is supposed to help protect the American dollar, the Pentagon said.

In camp are Lisbon Troops 1 and 95, Salem 5 and Hanoverton 52. This is a "provisional" troop of boys from several communities.

Author Claims Barge Of Railroad Company

RICHMOND, Calif. (AP) — The Santa Fe Railroad is involved in a salvage dispute with a bearded, 52-year-old author over a 280-foot barge the railway uses to ferry its cars across San Francisco bay.

Robert Read, the author sighted the barge off Point Richmond last Friday, unmanned and drifting. He boarded, dropped anchor and claimed salvage rights.

Santa Fe towed the barge back to its dock and has turned the question over to its attorneys.

Read, who said he had done "what any responsible citizen would do," added: "the thought of pecuniary gain did cross my mind."

HINTS FROM HELOISE

Train Child For Traffic

DEAR HELOISE: If you have a child starting to school for the first time this fall, why not start NOW with a "summer traffic safety program." (I know it worked wonders with our son last year.)

Heloise

Apppoint the child to be your "traffic officer" for the summer months. After an explanation of traffic laws and signals, begin to take him shopping as much as possible. Let him decide when to cross the street.

This "on-the-job training" will give you an opportunity to see how the child will react to various situations. Compliment him when he does his job well and correct him when he uses poor judgment.

Teach him that traffic safety is the responsibility of everyone.

I feel that my time and efforts were well-spent and my son was so much better educated in traffic safety after having practiced all during the summer before starting to school.

He enjoyed our "training program," too.

MRS. DOUGLAS BEAN.

Great: A wonderful safety hint.

HELOISE.

If your iced tea or lemonade pitcher lacks an ice guard at the lip, cut a double-thickness circle of nylon net a couple of inches larger than the top and tape or rubber band it over the top of your pitcher.

Great . . . just pour away and you have no ice bits or cubes dropping "plop splash" into your glass.

My pitcher, tall and green is quite festive with its "cap" of orange net.

MRS. M. McKAY.

LETTER OF THOUGHT

DEAR HELOISE: Why is it so many housewives drape their bedclothes out the window or on a railing of a balcony to air?

Not only is this unsightly and detrimental to the appearance of the neighborhood, but is really quite silly when you think of the dust they pick up from the outside!

Hope this may help to "stamp out" window drapers.

Q.U.Z.

DEAR HELOISE: Two of the duties my five-year-old son must preform are keeping his toys and room tidy and dressing himself.

He made the suggestion of putting his folded clothes on this toy shelves and his toys in his bureau drawers.

Now his room always looks tidy and he can see at a glance where the outfits are he wishes to wear.

JAYNE CASEY

DEAR HELOISE: Here's a little something I do with Veinna sausages.

First I cut them in half and then I cut canned biscuits in half and roll 'em around the sausage. Then dry in deep fat.

When golden brown, drain on paper towels and dip in catchup or mustard.

They're mmmgood. Wonderful for snacks.

GRANNY.

DEAR FOLKS: When you discard an old girdle or garter belt, always take your scissors and cut off those supporters and all the good elastic that you can use elsewhere. Roll 'em up and tuck them away in your sewing box.

I found that the metal part of a supporter if snatabulous to sew on a corner of a pot holder! Sure is easy to put on the nail where we hang 'em. They don't rust either.

Anybody got any more ideas? If so, do write to us in care of this paper. We'd love to her from you.

HELOISE.

DEAR HELOISE: Did you ever hear anyone say, "I like beans but they don't like me?

Well, I know the solution.

A pinch of powdered ginger in your canned beans, dried beans, bean soups, navy bean salads and even chili will do the trick.

The taste cannot be detected, but it works like magic. Give it a try.

Rocky Claims He Leads In Pennsylvania

PITTSBURGH (AP) — Gov. Nelson A. Rockefeller says he's running ahead of Vice President Hubert Humphrey in Pennsylvania and Richard Nixon is not.

Rckefeller released the results of a private poll he had taken during a news conference Monday at a stop n his way from Washington to Chicago.

Th New York governor said the poll was conducted by the Archbold Crosley organization and it surveyed the key states of Maryland, Massachusetts, Michigan, Pennsylvania, New York, Ohio, California and New Jersey. He said the details of the survey would be made public next Wednesday.

But he did say the survey showed himself to be in front of Humphrey in all eight states and Nixon losing to Humphrey in the first four.

Rockefeller ordered the poll after Ray Bliss, GOP national chairman, turned down his request to take a nationwide poll which would give the party an estimate of its delegate strengh in November, specifically in the electoral college.

Rockfeller said Maryland, Massachusetts, Michigan and Pennsylvania have a total of 126 electoral votes.

He said he could not say how the 64-vote Pennsylvania Republican National Convention delegation would break down. Gov. Raymond P. Shafer has endorsed Rockefeller and Rockefeller said he hoped for "very substantial support."

The DOCTOR Says

By Dr. W. G. Brandstadt

Hormones Ease Menopause Symptoms

Q—I am 49. I recently had a complete hysterectomy. My doctor says I will have a surgical menopause. What are some of the symptoms I should expect? Should I take hormone pills daily or only occasionally? And for how long?

Dr. Brandstadt

A — Cessation of menstruation is the only true symptom of the menopause. Hot flushes, with or without profuse sweating, often have their onset with the menopause but may persist for many years after the menstrual periods have ceased. Other symptoms complained of by menopausal women, such as headache, dizziness, fatigue and irritability, are due to aging or other causes.

—:—

FEMALE HORMONES relieve menopausal symptoms. Some doctors recommend a daily dose, adjust it to the patient's individual need and continue its use indefinitely. Others give it intermittently and taper off as the patient approaches 65 or 70.

Q—I started my menopause at the age of 40. I am now 47. For the last 18 months I have not seen a sign of my periods. Is it still possible to become pregnant?

A—Pregnancy is almost unheard of in a woman who has not menstruated for one year.

Q—What are the symptoms of the male menopause? How long does it last? Should a man take male hormones for it?

A—Although some men between the ages of 45 and 55 show signs of increased irritability, general apathy or depression and a few even complain of hot flushes and sweating, it is a confusion of terms to say that they are in the menopause. The cessation of testicular function occurs so much later and so much more gradually in men than cessation of ovarian function in women that it cannot be truly called a menopause. The symptoms referred to are those associated with aging.

Q—Having had a Caesarian section with my first child, how long must I wait before starting to have another child? Is it true that once a Caesarean always a Caesarean?

A—There is no required waiting period. Whether the next child following a Caesarean must also be delivered in this way would depend on the reasons for the first operation. Most doctors still prefer to do a Caesarean in a woman who has previously delivered in this way because the uterine scar is inelastic and this favors rupture of the uterus during labor.

Please send your questions and comments to Wayne G. Brandstadt, M.D., in care of The Review. While Dr. Brandstadt cannot answer individual letters, he will answer letters of general interest in future columns.

Big Dances Outlawed

LAS VEGAS, Nev. (AP) — You can drink, gamble or get a quick divorce in Las Vegas, but you can't hold a big dance.

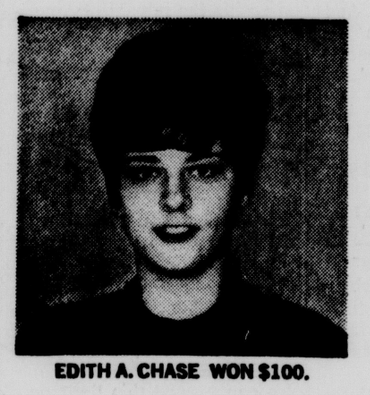

The city's law against commercial dance halls allows dances run by charities or supervised by the city but rules out bands brought in by a promoter.

Seventy-five youths cut a rug around City Hall with picket signs asking for a change in the dance law. "Frankly, it's a bore to be a kid in this town," said Tom Harrison, 23.

Culver Hurls No-Hitter Despite Upset Stomach

By RALPH BERNSTEIN
Associated Press Sports Writerl

PHILADELPHIA (AP) — George Culver found a new way to get rid of an upset stomach—pitch a no-hitter.

The 25-year-old right-hander of the Cincinnati Reds held the Philadelphia Phillies without a hit Monday night in the second game of a twi-night doubleheader.

"I had an upset stomach and had nothing to eat all day but some eggs and toast," said the 6-foot-2 Californian after his 6-1 victory.

Culver walked five, struck out three and one batter reached base on a catcher's interference call as he evened his season record at 9-9. The Reds scored three runs in the third and three more in the fourth to give him a comfortable working margin.

Philadelphia scored a run in the second when Rich Allen hit a shot at Tony Perez which bounced in and out of the third baseman's glove. Shortstop Woody Woodward picked the ball up and threw it over first base, allowing Allen to go to second.

Phils Get Hitless Run

The official scorer ruled a double error. Allen took third on an infield out and scored on a sacrifice fly, giving the hitless Phillies a 1-0 lead. Perez agreed with the ruling. "It was a tough play but I should have made it," he said after the game.

The closest the Phillies came to a hit was in the first and eighth innings

In the first, lead off batter Tony Taylor smashed one into the hole at shortstop. Woodward moved quickly to his right, grabbed the ball, spun around and threw him out. In the eighth, Allen ripped one toward right that Tommy Helms knocked down and made the play at first.

"I was just trying to keep the ball in the infield," said Helms. "I was lucky it stayed in front of me and I was able to throw him out."

Culver joined an elite group of Cincinnati pitchers who have recorded no-hitters. They include Johnny Vandermeer, who threw two in a row in 1938, Ewell Blackwell (1947), and Jim Maloney of the current Reds' staff who has two, one of which he lost.

Not only did Culver have an upset stomach, but he also had to have a shot of novacaine in an ingrown toenail before he could put on a shoe to go out and warm up. He didn't come to the ball park with the team and wasn't around for the first game won by the Reds 7-6.

Pete Rose tripled and scored on a sacrifice fly for the winning run. In the last of the ninth, Rose threw Allen out at the plate for the third out after fielding a single in right field.

Culver disclosed that he came to the ball park in a taxi after resting in his hotel room. He said he tried to eat dinner but "I just couldn't."

Cashdollar's Wins 4th

Cahdollar's whipped Four Staley's 15-4 in the Chester City Softball League last night to take over first place with a 4-1 mark.

John Sprout won his fourth straight game and Mark McGeehan took the loss. Matt Cashdollar went 4 for 4 for the winners.

Sports Whirled

There is a nice story on Bernie Allen in this week's Sporting News by Merrill Whittlesey.

The story was occasioned by Allen, who is the player representative of the Senators, calling a meeting of players during the recent losing streak. After the meeting, the team broke the streak, and the incident was mentioned in Sports Illustrated.

Whittlesey's story says that Allen has been handed the Senators' second base job for the rest of the season, now that Frank Coggins has been sent down to Buffalo. There is no other second baseman on the Senator roster.

Manager Jim Lemon says, "Bernie is known around the league as a tough out, and I think he turns the double play as well as any second baseman we see around. He is stronger because of the isometrics (exercises) he took last winter, and I'm sure he can hold down the job."

Coggins was hitting only .174 when he was sent down. Allen had been hampered by a knee injury. He hit only .193 last season, but had an eye examination over the winter and is now wearing one contact lens. The article concludes, "Bernie is only 29, takes care of himself, and could have the job for years."

In the story, Allen explains that another player meeting cost him his job with the Twins. He was the player representative for Minnesota in 1966, and was blamed for a players-only meeting that he attended, but did not call. Sam Mele, then the Twins' manager, was not happy about being excluded, although the team won a doubleheader the next day, and he put Allen on the bench. The next season Bernie was traded to the Senators.

The latest fielding statistics show Allen second among all AL second basemen. Frank Quilici of the Twins is errorless in 24 games, while Allen has made one error in 46 contests for a .995 mark. Bobby Knoop of the Angels is fielding .985 in 84 games.

LUIS TIANT, star Indian pitcher, is the cover subject in this week's Sporting News. Tiant claims that his father, who pitched for the New York Cubans in the old Negro League, was a better pitcher than he. The younger Tiant has not seen his parents, who live in Cuba, since 1961.

Cincinnati Wins Pair; Pirates Edge Braves

By ED SCHUYLER JR.
Associated Press Sports Writer

Now George Culver knows how to act.

"I really got nervous in the seventh," the Cincinnati pitcher said Monday night.

"I'd never even come close to pitching a no-hitter before in my life. I didn't know how to act."

Two innings later, the former relief specialist had a 6-1, no-hit victory over the Philadelphia Phillies and he was acting completely normal under the circumstances.

"Actually after the game I was crying," he said. "Winning is important, but doing it by pitching a no-hitter, that's the greatest."

Culver's gem gave Cincinnati a sweep of the twi-night doubleheader—the Reds winning the first game 7-6.

St. Louis beat the New York Mets 5-1, Pittsburgh edged Atlanta 3-2, Houston blanked Los Angeles 2-0 and San Francisco topped the Chicago Cubs 4-1 in other National League action.

Culver, who worked out of the Cleveland bullpen last year and was obtained by the Reds in a winter trade, ran his record to 9-9 with his third complete game of the season.

The Phillies put seven men on bases—five on walks, one on an error and one on a catcher's interference—against the young right-hander who struck out three.

Philadelphia's run was unearned and came in the second. Richie Allen reached first when third baseman Tony Perez booted his grounder, and continued to second when shortstop Woody Woodward picked up the loose ball and threw wildly. Allen advanced to third on a ground out and scored on Cookie Rojas' sacrifice fly.

Cincinnati scored three runs in each of the third and fourth innings. Pete Rose started both rallies with singles.

The Reds took the opener when Rose tripled in the ninth and scored on Vada Pinson's sacrifice fly. Rose then saved the game by throwing out Allen, who tried to score from second base on John Callison's two-out single.

Philadelphia had tied the game at 6-6 in the eighth on a solo homer by Allen and Don Lock's two-run shot.

St. Louis' Ray Washburn boosted his record to 10-3 with his seventh straight victory, a seven-hit, eight strikeout, no-walk performance against the Mets. He hasn't lost since May 21.

Lou Brock, who scored once and drove in two runs, broke a 1-1 tie for the Cardinals in the eighth was a sacrifice fly.

Pittsburgh earned its victory over Atlanta on a homer by Bill Mazeroski, Donn Clendenon's sacrifice fly and a single by Roberto Clemente.

Mike Cuellar drove in the first run with a squeeze bunt and pitched a four-hitter in Houston's victory over Los Angeles. First baseman Ken Boyer of Los Angeles was taken to a hospital for X rays after being involved in a collision at first with Houston's Bob Watson.

Gaylord Perry won only his third game in two months for San Francisco, stopping the Cubs on two hits. The Giants clinched it for Perry, 9-9, with a three-run sixth.

WHEELING (AP) — The Wheeling Ironmen of the Continental Professional Football League have announced the signing of two players for the coming season.

Leroy Kelly and Ernie Green combined for 1,915 yards rushing 1967.

Six-Week Journey

Mexico's Olympic Torch Will Come From Greece

By CHARLES GREEN
Associated Press Sports Writer

MEXICO CITY (AP) — The first Olympic flame to travel from Greece to the new world is to be lighted in Olimpia Aug. 23 to start a month and a half journey to Mexico City's Olympic Stadium.

On Oct. 12, Enriqueta Basilio, Mexico's best female runner and a member of this country's Olympic team, will trot into the stadium holding the symbolic flame aloft to open the Games of the 19th Olympiad.

In between those two points the flame will travel by runner, by ship and even by swimmer as Mexico's emphasis on its desire for peace and friendship with all peoples.

Only twice before have the Olympic Games been held in the Western Hemisphere—both times in the United States—and in each case the Olympic flame was ignited in the stadium rather than being brought from the birthplace of international athletic competition.

The cost to Mexico of the torch's journey has been conservatively estimated at $40,000. The actual cost will be higher but the expenses in Europe are to be borne by the National Olympic Committees of Greece, Italy and Spain.

Once the torch is lighted at the sport where the first recorded games were held in 776 B.C. it will start a journey over the same route taken by Christopher Columbus when he discovered the new world and, later, by Spanish Conquistador Hernan Cortes when he led his small band on the conquest of Mexico.

One of the most unique parts of the journey will be across Veracruz Harbor on the eastern coast of Mexico. Seventeen young Mexicans will swim across the harbor with one hand while holding the torch aloft with the other.

The Mexicans have even designed a pair of special boats with underwater cradles to protect each young man on his 50-meter swim in the shark infested water.

All runners, from Olimpia to Olympic Stadium, will be dressed in identical white uniforms. The uniform has a green band across the chest in which is depicted a white dove of peace.

At the waist is a red band with the "Mexico 68" slogan of the Games. On the left leg of the shorts each runner will wear a four-by-four inch flag, the only national identification, on the uniform.

From Olimpia the torch goes through the Greek cities of Pyrogos, Amalias, Patras, Aigion, Xilokastron, Kiaton, Corinth, Megara and Elevis before arriving at the Parthenon Aug. 24.

The next day it goes from Athens to the port of Pireo where it is to be put aboard a Greek naval ship destined for the Italian port of Genoa—the birth place of Columbus.

In Genoa Aug. 27, there will be a ceremony in the house where Columbus was born. On Aug. 28, the flame will be put aboard the Italian sailing ship Amerigo Vespucci—the same ship which carried the torch from Athens to Syracuse before the 1960 Games in Rome—destined for the Spanish port of Barcelona.

PITCHER OR PRIEST? Bob Gibson of the St. Louis Cardinals looks more like a priest than a pitcher as he sports an ultra-mod outfit while signing autographs outside Shea Stadium in New York yesterday. Gibson, 14-5 with 11 straight wins, is scheduled to face the Mets tonight. (UPI Telephoto)

Ready For Packers

Little All-Star Contact Under Van Brocklin

By JOE MOOSHIL
Associated Press Sports Writer

CHICAGO (AP) — Coach Norm Van Brocklin isn't called the Dutchman for nothing. He calls the shots and makes his own decisions.

As a result, when Van Brocklin takes his College All-Stars up against the Green Bay Packers in Soldier Field Friday night, not a single member of the 50-man squad will be suffering from anything as much as a hangnail.

Throughout the previous years, coaches have attacked the task of putting a team together in three weeks with work, work and more work. Contact and scrimmages used to be the byword.

Not so under the Dutchman. From the very outset it was apparent the Stars would not be involved in numerous scrimmages.

In the last several years, the All-Stars would pack up the week before the game and journey to Rensselaer, Ind., to scrimmage the Chicago Bears.

Van Brocklin ruled out the scrimmage, explaining he was preparing his team to meet the Packers and nothing else was important.

In the past, the All-Stars have held their final full-scale scrimmage on the Monday before the game. On Monday, the Dutchman put them through a limited contact session and announced "that concludes the rough work. The rest of time will be spent in review."

The Dutchman then really capped it all by calling off the usual light workout which always was held in Soldier Field two nights before the game to give the players a feel of things.

Van Brocklin's reasoning: "It is of no benefit to the players."

Van Brocklin, who starred for the Los Angeles Rams and Philadelphia Eagles before coaching the Minnesota Vikings, recently announced he will call every play in the game from the bench.

"We can pinpoint our attack a lot better by sending in the plays," he said. "It will take the mental pressure off the quarterbacks. After all, I know the Packers much better than they do."

Van Brocklin has promised a wide-open game with plenty of passing in an effort to get the first All-Star triumph over the professional champions since the 20-17 victory over Green Bay in 1963.

Since then, the All-Stars have lost to the Chicago Bears, Cleveland Browns and have been blanked by the Packers the last two seasons.

The professionals lead the series 23-9 with two tie games.

Paul Brown Excited By Bengal Team

WILMINGTON, Ohio (AP)—After five years away from coaching, Paul Brown admits he is getting excited about swinging into action again.

Brown, coach-general manager of the Cincinnati Bengals, said Monday that recent scrimmages and especially a game-type workout Sunday have really stirred his interest. He affirmed that he is looking forward to the Bengals' debut in an American Football League exhibition game with Kansas City in Cincinnati Saturday night as much as his players.

"That's the dessert. You can't rehearse all week and not be wanting this," Brown, former coach of the Cleveland Browns of the National Football League, said.

Brown said he plans to start against the Chiefs the same players that have been holding down No. 1 positions in scrimmages.

The Bengals trimmed their squad Monday by six players to near the maximum 49-player limit required by August 19.

Released were Dain Birkley, a flanker from Denison; running back Hobbie Williams, recently acquired from San Diego; slot end Don Williams; Halback Claude Watts from Bluefield State; and guard Fate Echols of Northwestern.

Midland, Freedom Win Tourney Openers

Midland and Freedom won opening round games in the Midland Little League baseball tournament last night.

Midland downed Western Beaver 7-1 with a six-run rally in the fifth and Freedom topped an East Liverpool team 5-2.

Steve Bojnovich was the winner for Midland in relief of Dave DiCiccio. Del Cochran had a bases-loaded double for the big hit and added a single.

Record Twin-Quinela At Denver Dog Track

DENVER (AP) — Some lucky bettor Monday night wagered $2 on a twin-quinela at the Mile High Kennel Club and won $23,728.60—the highest twin-quin ever paid in the United States, track officials said.

A spokesman for the greyhound track said the winner did not cash his ticket immediately. The winning combination was 3-5-4-8.

The previous record was $22,667.80 paid at the same track July 28, 1966, the spokesman said.

Rock Prodonovich had two hits. Bill McCreery was the loser.

W. BEAVER	100 000—1 7 1

All AL Leaders Beaten

By DICK COUCH
Associated Press Sports Writer

Tracking the Tiger is fast becoming a monumental misadventure for the Baltimore and Cleveland-based safaris.

The New York Yankees caught Detroit napping Monday night and roughed up the front-running Tigers 7-2 behind unsung right-handers Joe Verbanic and Lindy McDaniel.

But instead of losing ground to the pursuing Baltimore Orioles and Cleveland Indians, the Tigers tumbled forward another half step toward their first pennant in 23 years.

The Boston Red Sox took the edge off Detroit's steback by sweeping a day-night doubleheader from Baltimore 3-2, in 10 innings, and 8-3 while last place Washington upended Cleveland 4-2. As a result, the Orioles and Indians each trail the Tigers by seven games and the Red Sox are 8½ lengths back.

Elsewhere California edged Minneota 2-1, ending a five-game losing string, and the Chicago White Sox struck for five runs in the 13th inning and a 7-2 victory over Oakland.

Verbanic, a Yankee reliever making one of his infrequent starts, pitched out of several early jams at Detroit before giving way to McDaniel in the sixth and squared his pitching mark at 4-4. Two of his victories have been at the Tigers' expense.

McDaniel, picked up in a recent inter-league deal with San Francisco, allowed only one hit —Norm Cash's solo homer in the seventh—over the final 3 2-3 innings.

Joe Pepitone' two-run single in the fifth broke a 1-1 tie and the Yanks pulled away on two-run homers by Jake Gibbs and Roy White. Loser Joe Sparma was tagged for five runs and nine hits before departing in the sixth.

Successive 10th inning doubles by Jose Tartabull and Mike Andrews snapped a 2-2 deadlock in the afternoon game at Boston, giving Ray Culp a hard-earned pitching verdict over Baltimore reliever Moe Drabowky, Culp, 7-4, struck out 12 in going the distance.

Andrews and Joe Joy homered in the nightcap and Carl Yastrzemski slammed three doubles as the Red Sox breezed behind rejuvenated Juan Pizarro. The vetern southpaw, 3-2, survived bases-empty homers by Boog Powell, Paul Blair and Dave Johnson.

"Every one that goes into the lost column hurts," admitted Orioles pilot Earl Weaver, whose club dropped two of three to Detroit before the double dip at Boston's Fenway Park. "This day-night doubleheader after our series with Detroit was tough to take.

"But there's still a lot of time."

Ron Hansen clubbed a tie-breaking homer in the sixth inning and Frank Howard unloaded his 29th homer in the seventh as the Senators surprised Cleveland behind right-hander Jim Hannan.

Sammy Ellis stopped Minnesota on four hits and scored the deciding run while finishing one up on the Twins' Dean Chance in a baseball exchange. Ellis hit Chance with a pitch in the top of the fifth and Chance nicked Don Mincher in the bottom of the inning. Chance then plunked Ellis in the sixth and the Angels' pitcher moved around to score the tie-breaking run on Roger Repoz' single.

Triples by Tom McCraw and Tommy Davis, a double by Tim Cullen and pitcher Wilbur Wood's two-run single keyed the White Sox' 13th inning awakening after Luis Aparicio's fourth hit in the game opened the gates. Aparicio drove in Chicago's first two runs with a single and triple.

In the first, lead off batter Tony Taylor smashed one into the hole at shortstop. Woodward moved quickly to his right, grabbed the ball, spun around and threw him out. In the eighth, Allen ripped one toward right that Tommy Helms knocked down and made the play at first.

"I was just trying to keep the ball in the infield," said Helms. "I was lucky it stayed in front of me and I was able to throw him out."

Culver joined an elite group of Cincinnati pitchers who have recorded no-hitters. They include Johnny Vandermeer, who threw two in a row in 1938, Ewell Blackwell (1947), and Jim Maloney of the current Reds' staff who has two, one of which he lost.

Not only did Culver have an upset stomach, but he also had to have a shot of novacaine in an ingrown toenail before he could put on a shoe to go out and warm up. He didn't come to the ball park with the team and wasn't around for the first game won by the Reds 7-6.

Pete Rose tripled and scored on a sacrifice fly for the winning run. In the last of the ninth, Rose threw Allen out at the plate for the third out after fielding a single in right field.

Culver disclosed that he came to the ball park in a taxi after resting in his hotel room. He said he tried to eat dinner but "I just couldn't."

Cashdollar's Wins 4th

Sports Whirled

There is a nice story on Bernie Allen in this week's Sporting News by Merrill Whittlesey.

The story was occasioned by Allen, who is the player representative of the Senators, calling a meeting of players during the recent losing streak. After the meeting, the team broke the streak, and the incident was mentioned in Sports Illustrated.

Whittlesey's story says that Allen has been handed the Senators' second base job for the rest of the season, now that Frank Coggins has been sent down to Buffalo. There is no other second baseman on the Senator roster.

Manager Jim Lemon says, "Bernie is known around the league as a tough out, and I think he turns the double play as well as any second baseman we see around. He is stronger because of the isometrics (exercises) he took last winter, and I'm sure he can hold down the job."

Coggins was hitting only .174 when he was sent down. Allen had been hampered by a knee injury. He hit only .193 last season, but had an eye examination over the winter and is now wearing one contact lens. The article concludes, "Bernie is only 29, takes care of himself, and could have the job for years."

In the story, Allen explains that another player meeting cost him his job with the Twins. He was the player representative for Minnesota in 1966, and was blamed for a players-only meeting that he attended, but did not call. Sam Mele, then the Twins' manager, was not happy about being excluded, although the team won a doubleheader the next day, and he put Allen on the bench. The next season Bernie was traded to the Senators.

The latest fielding statistics show Allen second among all AL second basemen. Frank Quilici of the Twins is errorless in 24 games, while Allen has made one error in 46 contests for a .995 mark. Bobby Knoop of the Angels is fielding .985 in 84 games.

LUIS TIANT, star Indian pitcher, is the cover subject in this week's Sporting News. Tiant claims that his father, who pitched for the New York Cubans in the old Negro League, was a better pitcher than he. The younger Tiant has not seen his parents, who live in Cuba, since 1961.

Cincinnati Wins Pair; Pirates Edge Braves

By ED SCHUYLER JR.

Now George Culver knows how to act.

"I really got nervous in the seventh," the Cincinnati pitcher said Monday night.

"I'd never even come close to pitching a no-hitter before in my life. I didn't know how to act."

Two innings later, the former relief specialist had a 6-1, no-hit victory over the Philadelphia Phillies and he was acting completely normal under the circumstances.

"Actually after the game I was crying," he said. "Winning is important, but doing it by pitching a no-hitter, that's the greatest."

Culver's gem gave Cincinnati a sweep of the twi-night doubleheader—the Reds winning the first game 7-6.

St. Louis beat the New York Mets 5-1, Pittsburgh edged Atlanta 3-2, Houston blanked Los Angeles 2-0 and San Francisco topped the Chicago Cubs 4-1 in other National League action.

Culver, who worked out of the Cleveland bullpen last year and was obtained by the Reds in a winter trade, ran his record to 9-9 with his third complete game of the season.

The Phillies put seven men on bases—five on walks, one on an error and one on a catcher's interference—against the young right-hander who struck out three.

Philadelphia's run was unearned and came in the second. Richie Allen reached first when third baseman Tony Perez booted his grounder, and continued to second when shortstop Woody Woodward picked up the loose ball and threw wildly. Allen advanced to third on a ground out and scored on Cookie Rojas' sacrifice fly.

Cincinnati scored three runs in each of the third and fourth innings. Pete Rose started both rallies with singles.

The Reds took the opener when Rose tripled in the ninth and scored on Vada Pinson's sacrifice fly. Rose then saved the game by throwing out Allen, who tried to score from second base on John Callison's two-out single.

Philadelphia had tied the game at 6-6 in the eighth on a solo homer by Allen and Don Lock's two-run shot.

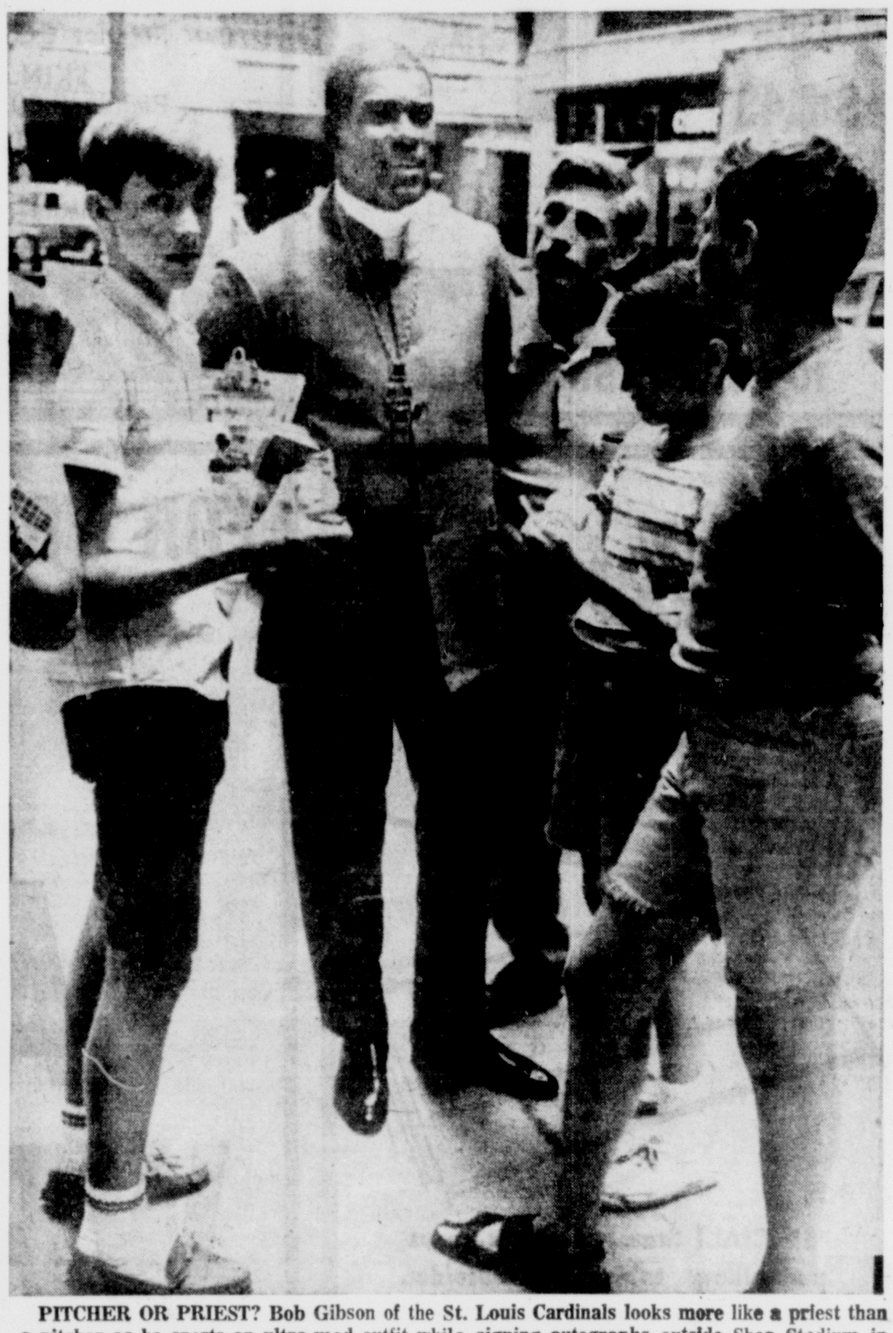

St. Louis' Ray Washburn boosted his record to 10-3 with his seventh straight victory, a seven-hit, eight strikeout, no-walk performance against the Mets. He hasn't lost since May 21.

Lou Brock, who scored once and drove in two runs, broke a 1-1 tie for the Cardinals in the eighth was a sacrifice fly.

Pittsburgh earned its victory over Atlanta on a homer by Bill Mazeroski, Donn Clendenon's sacrifice fly and a single by Roberto Clemente.

Mike Cuellar drove in the first run with a squeeze bunt and pitched a four-hitter in Houston's victory over Los Angeles. First baseman Ken Boyer of Los Angeles was taken to a hospital for X rays after being involved in a collision at first with Houston's Bob Watson.

Gaylord Perry won only his third game in two months for San Francisco, stopping the Cubs on two hits. The Giants clinched it for Perry, 9-9, with a three-run sixth.

PITCHER OR PRIEST? Bob Gibson of the St. Louis Cardinals looks more like a priest than a pitcher as he sports an ultra-mod outfit while signing autographs outside Shea Stadium in New York yesterday. Gibson, 14-5 with 11 straight wins, is scheduled to face the Mets tonight. (UPI Telephoto)

WHEELING (AP) — The Wheeling Ironmen of the Continental Professional Football League have announced the signing of two players for the coming season.

Leroy Kelly and Ernie Green combined for 1,915 yards rushing 1967.

Six-Week Journey

Mexico's Olympic Torch Will Come From Greece

By CHARLES GREEN
Associated Press Sports Writer

MEXICO CITY (AP) — The first Olympic flame to travel from Greece to the new world is to be lighted in Olimpia Aug. 23 to start a month and a half journey to Mexico City's Olympic Stadium.

On Oct. 12, Enriqueta Basilio, Mexico's best female runner and a member of this country's Olympic team, will trot into the stadium holding the symbolic flame aloft to open the Games of the 19th Olympiad.

In between those two points the flame will travel by runner, by ship and even by swimmer as Mexico's emphasis on its desire for peace and friendship with all peoples.

Only twice before have the Olympic Games been held in the Western Hemisphere—both times in the United States—and in each case the Olympic flame was ignited in the stadium rather than being brought from the birthplace of international athletic competition.

The cost to Mexico of the torch's journey has been conservatively estimated at $40,000. The actual cost will be higher but the expenses in Europe are to be borne by the National Olympic Committees of Greece, Italy and Spain.

Once the torch is lighted at the sport where the first recorded games were held in 776 B.C. it will start a journey over the same route taken by Christopher Columbus when he discovered the new world and, later, by Spanish Conquistador Hernan Cortes when he led his small band on the conquest of Mexico.

One of the most unique parts of the journey will be across Veracruz Harbor on the eastern coast of Mexico. Seventeen young Mexicans will swim across the harbor with one hand while holding the torch aloft with the other.

The Mexicans have even designed a pair of special boats with underwater cradles to protect each young man on his 50-meter swim in the shark infested water.

All runners, from Olimpia to Olympic Stadium, will be dressed in identical white uniforms. The uniform has a green band across the chest in which is depicted a white dove of peace.

At the waist is a red band with the "Mexico 68" slogan of the Games. On the left leg of the shorts each runner will wear a four-by-four inch flag, the only national identification, on the uniform.

From Olimpia the torch goes through the Greek cities of Pyrogos, Amalias, Patras, Aigion, Xilokastron, Kiaton, Corinth, Megara and Elevis before arriving at the Parthenon Aug. 24.

The next day it goes from Athens to the port of Pireo where it is to be put aboard a Greek naval ship destined for the Italian port of Genoa—the birth place of Columbus.

In Genoa Aug. 27, there will be a ceremony in the house where Columbus was born. On Aug. 28, the flame will be put aboard the Italian sailing ship Amerigo Vespucci—the same ship which carried the torch from Athens to Syracuse before the 1960 Games in Rome—destined for the Spanish port of Barcelona.

Ready For Packers

Little All-Star Contact Under Van Brocklin

By JOE MOOSHIL
Associated Press Sports Writer

CHICAGO (AP) — Coach Norm Van Brocklin isn't called the Dutchman for nothing. He calls the shots and makes his own decisions.

As a result, when Van Brocklin takes his College All-Stars up against the Green Bay Packers in Soldier Field Friday night, not a single member of the 50-man squad will be suffering from anything as much as a hangnail.

Throughout the previous years, coaches have attacked the task of putting a team together in three weeks with work, work and more work. Contact and scrimmages used to be the byword.

Not so under the Dutchman. From the very outset it was apparent the Stars would not be involved in numerous scrimmages.

In the last several years, the All-Stars would pack up the week before the game and journey to Rensselaer, Ind., to scrimmage the Chicago Bears.

Van Brocklin ruled out the scrimmage, explaining he was preparing his team to meet the Packers and nothing else was important.

In the past, the All-Stars have held their final full-scale scrimmage on the Monday before the game. On Monday, the Dutchman put them through a limited contact session and announced "that concludes the rough work. The rest of time will be spent in review."

The Dutchman then really capped it all by calling off the usual light workout which always was held in Soldier Field two nights before the game to give the players a feel of things.

Van Brocklin's reasoning: "It is of no benefit to the players."

Van Brocklin, who starred for the Los Angeles Rams and Philadelphia Eagles before coaching the Minnesota Vikings, recently announced he will call every play in the game from the bench.

"We can pinpoint our attack a lot better by sending in the plays," he said. "It will take the mental pressure off the quarterbacks. After all, I know the Packers much better than they do."

Van Brocklin has promised a wide-open game with plenty of passing in an effort to get the first All-Star triumph over the professional champions since the 20-17 victory over Green Bay in 1963.

Since then, the All-Stars have lost to the Chicago Bears, Cleveland Browns and have been blanked by the Packers the last two seasons.

The professionals lead the series 23-9 with two tie games.

Paul Brown Excited By Bengal Team

WILMINGTON, Ohio (AP)—After five years away from coaching, Paul Brown admits he is getting excited about swinging into action again.

Brown, coach-general manager of the Cincinnati Bengals, said Monday that recent scrimmages and especially a game-type workout Sunday have really stirred his interest. He affirmed that he is looking forward to the Bengals' debut in an American Football League exhibition game with Kansas City in Cincinnati Saturday night as much as his players.

"That's the dessert. You can't rehearse all week and not be wanting this," Brown, former coach of the Cleveland Browns of the National Football League, said.

Brown said he plans to start against the Chiefs the same players that have been holding down No. 1 positions in scrimmages.

The Bengals trimmed their squad Monday by six players to near the maximum 49-player limit required by August 19.

Released were Dain Birkley, a flanker from Denison; running back Hobbie Williams, recently acquired from San Diego; slot end Don Williams; Halback Claude Watts from Bluefield State; and guard Fate Echols of Northwestern.

Record Twin-Quinela At Denver Dog Track

DENVER (AP) — Some lucky bettor Monday night wagered $2 on a twin-quinela at the Mile High Kennel Club and won $23,728.60—the highest twin-quin ever paid in the United States, track officials said.

A spokesman for the greyhound track said the winner did not cash his ticket immediately. The winning combination was 3-5-4-8.

The previous record was $22,667.80 paid at the same track July 28, 1966, the spokesman said.

All AL Leaders Beaten

By DICK COUCH

Tracking the Tiger is fast becoming a monumental misadventure for the Baltimore and Cleveland-based safaris.

The New York Yankees caught Detroit napping Monday night and roughed up the front-running Tigers 7-2 behind unsung right-handers Joe Verbanic and Lindy McDaniel.

But instead of losing ground to the pursuing Baltimore Orioles and Cleveland Indians, the Tigers tumbled forward another half step toward their first pennant in 23 years.

The Boston Red Sox took the edge off Detroit's steback by sweeping a day-night doubleheader from Baltimore 3-2, in 10 innings, and 8-3 while last place Washington upended Cleveland 4-2. As a result, the Orioles and Indians each trail the Tigers by seven games and the Red Sox are 8½ lengths back.

Elsewhere California edged Minneota 2-1, ending a five-game losing string, and the Chicago White Sox struck for five runs in the 13th inning and a 7-2 victory over Oakland.

Verbanic, a Yankee reliever making one of his infrequent starts, pitched out of several early jams at Detroit before giving way to McDaniel in the sixth and squared his pitching mark at 4-4. Two of his victories have been at the Tigers' expense.

McDaniel, picked up in a recent inter-league deal with San Francisco, allowed only one hit —Norm Cash's solo homer in the seventh—over the final 3 2-3 innings.

Joe Pepitone' two-run single in the fifth broke a 1-1 tie and the Yanks pulled away on two-run homers by Jake Gibbs and Roy White. Loser Joe Sparma was tagged for five runs and nine hits before departing in the sixth.

Successive 10th inning doubles by Jose Tartabull and Mike Andrews snapped a 2-2 deadlock in the afternoon game at Boston, giving Ray Culp a hard-earned pitching verdict over Baltimore reliever Moe Drabowky, Culp, 7-4, struck out 12 in going the distance.

Andrews and Joe Joy homered in the nightcap and Carl Yastrzemski slammed three doubles as the Red Sox breezed behind rejuvenated Juan Pizarro. The vetern southpaw, 3-2, survived bases-empty homers by Boog Powell, Paul Blair and Dave Johnson.

"Every one that goes into the lost column hurts," admitted Orioles pilot Earl Weaver, whose club dropped two of three to Detroit before the double dip at Boston's Fenway Park. "This day-night doubleheader after our series with Detroit was tough to take.

"But there's still a lot of time."

Ron Hansen clubbed a tie-breaking homer in the sixth inning and Frank Howard unloaded his 29th homer in the seventh as the Senators surprised Cleveland behind right-hander Jim Hannan.

Sammy Ellis stopped Minnesota on four hits and scored the deciding run while finishing one up on the Twins' Dean Chance in a baseball exchange. Ellis hit Chance with a pitch in the top of the fifth and Chance nicked Don Mincher in the bottom of the inning. Chance then plunked Ellis in the sixth and the Angels' pitcher moved around to score the tie-breaking run on Roger Repoz' single.

Triples by Tom McCraw and Tommy Davis, a double by Tim Cullen and pitcher Wilbur Wood's two-run single keyed the White Sox' 13th inning awakening after Luis Aparicio's fourth hit in the game opened the gates. Aparicio drove in Chicago's first two runs with a single and triple.

Ballman, Woodeshick Quit In Salary Hassle

By BOB GREEN
Associated Press Sports Writer

Gary Ballman and Tom Woodeshick of the Philadelphia Eagles walked out in a salary dispute. At least 49 other pro and prospective pro football players walked out looking for jobs. And another walked out in uniform —military uniform, that is.

Philadelphia Coach Joe Kuharich said Ballman's salary demand "was such that we could not meet it." He was noncommittal on Woodeshick.

"We don't pressure anyone to sign a contract," Kuharich said Monday. "They have a right to do what they want. I have to draw the line somewhere, and I have drawn the line."

Ballman, an end, and Woodeshick, a fullback, both were regulars last year.

"I may never come back," said Woodeshick.

"I want to play for the Eagles," said Ballman, "but if we don't come to any agreement, I'm sure there'll be other ball clubs in contact with me. If we don't sign, there's only one way out—trading me."

While they stashed away their uniforms, Green Bay Packer reserve quarterback Don Horn broke out his U.S. Army uniform. His reserve unit was called up for six months active duty at Ft. Campbell, Ky.

Horn, a second-year man, who completed 10 of 23 passes in Thursday's intrasquad game, was expected to play behind Bart Starr this season, a Packer spokesman said.

The other 49 were cuts, as the teams in both the National and American Football Leagues sought to get down to a mandatory maximum of 60 by Wednesday night.

The New York Giants cut four, including veteran defensive linemen Rosey Davis and Riley Gunnels.

Vern Burke, a veteran, eight-year tight end, who did not play much last season because of an injury, was one of six cut by the New Orleans Saints.

The Washington Redskins cut two-season linebacker Steve Jackson and six rookies, while the Atlanta Falcons dropped three. Cincinnati and Philadelphia each dropped six.

And the Kansas City Chiefs trimmed 17—including John Henry Haslam, of Blackpool, England, one of the two soccer-style kickers recruited from England. Bobby Howfields, of Herts, England, was retained.

Lou Gentile Wins Feature At Canfield

Lou Gentile of Hubbard grabbed the checkered flag in the Buick night late model feature and Bill Larson of Youngstown won the 20-lap stock finale at Canfield Speedway Saturday night before 2,852 fans.

Larson not only recorded his second triumph of the year, but halted a three - victory string of Bob Krauss of Sharon, Pa.

A spectacular mishap on the 2nd lap of the late model feature spiced the card. Paul Miller of Youngstown sideswiped the fence and then rolled. He was hit by Ron Hegedus of Brookfield. Neither driver was hurt.

Gentile drove a 1963 Chevrolet to victory taking the lead from Gary Blaney on the 10th lap. In a tight battle for the next three spots, Blaney was 2nd followed by Phil Wertz and Dave Benner.

Truckers Clinch Flag In Softball

LISBON — Toot Trucking, with only one loss in 19 games, clinched the County Softball League pennant with an 8-3 victory over the Wellsville Merchants Monday night at Pine Tree Inn Field.

In the second game, Wellsville Appliance scored one run in the final frame to edge Lisbon Merchants 7-6.

With scheduled play ending next week, there is no longer any chance for East Liverpool Merchants, the only team to defeat the Truckers, to head off Toot's.

The top two teams will play an exhibition game at 7:15 p.m., today since Tangerine Lounge, which was to have played East Liverpool, dropped out of the league. East Liverpool is in second place.

Ron Sabo homered and Clarence Beverly and Jack Jackson had three hits each to lead the Truckers. Pitcher Gail Talbott and Frank Rossi hit safely twice for the losers. Jerry Bryson hurled for the Truckers.

Lee Forbes, Pitcher Jerry Cannon and Ray Duffield led the Wellsville Appliance club in the closely-played nightcap. Dave Conrad homered and Earl Hershman had two hits for Lisbon. Jerry Bush took the loss.

Albco Foundry will play Quaker Security Service at 5:45 today at Pine Tree.

The Browns were 9-5 in 1967 but were outgained by 585 yards.

Carl Ward, at 180, is the lightest player on the Browns' roster.

Bonallack Shoots 61, Eyes Double

LONDON (AP) — Mike Bonallack, the wonder man of British amateur golf, started preparing today for his bid to conquer the United States and equal a 57-year-old record.

That includes practicing with the American-type larger ball.

If the 33-year-old Englishman can win the U.S. Amateur at Columbus, Ohio, Aug. 23-31 he will have captured the British and U.S. Amateur titles in one year. No Briton has done that since Harold Hilton in 1911.

Marty Fleckman, of the United States now a pro, did it last year.

Right now Bonallack is the biggest name in British Golf following a fantastic triumph in the English Amateur at Ganton last Saturday. He burned up the 6,752-yard course with a 10-under par 61 and went on to defeat David Kelley by a record margin of 12 and 11 in the 36-hole final.

Bonallack cleaned up the British Amateur title for the third time in eight years at Troon, Scotland, last June. He has won the English Amateur five times.

Bob Foster To Fight Heavyweight

SPRINGFIELD, Mass. (AP) — Bob Foster, wearer of the world's light heavyweight boxing crown for two months, is eyeing bigger pay nights in the heavyweight ranks.

Figures of up to $250,000 were tossed around in verbal remarks Monday night after Foster stopped heavyweight Charlie Polite, a Springfield journeyman, in 22 seconds of the third round of a scheduled 10-rounder.

Foster, who packed just 179 pounds on his rangy 6-foot-3 frame for the bout with Polite, said he was willing to listen to offers to fight Joe Frazier or Jimmy Ellis for the heavyweight title the pair shares.

Frazier is recognized as the champion in five states, including New York. Ellis is recognized by the World Boxing Association as champ.

Other coaches are Louie Steele, Rick Spanik, Nick Vuckovich, Dan Zuppe and Edmond DiCiccio.

Russians May Enter Laurel Race

BALTIMORE (AP) — The Russians are coming. The Russians are coming. Maybe.

Joseph T. Cascarella, executive vice president of Laurel Race course, back home after a week in Moscow, said Monday the Russians want to send a horse to this year's Washington, D.C., International.

The fact that he was invited to the Soviet Union for a third time, Cascarella said, indicates the Russians want to take another crack at winning the $150,000 turf race on Nov. 11.

He said a half dozen 3-year-olds are being considered by the Soviet Ministry of Agriculture, including the colt Zagreb, whose sire Garnir was one of the first two Russian entries in the 1958 International.

Six Policemen Are Wounded In Riot In Peoria

PEORIA, Ill. (AP)—Six policemen were shot and wounded early today after an outbreak of rock and brick throwing erupted into gunfire at a street intersection northeast of downtown Peoria, police said.

None of the six was believed wounded seriously, a spokesman at St. Francis Hospital said.

No other injuries were reported, and the number of arrests was not known immediately.

Police said the trouble began late Monday night when Negro youths started hurling rocks and bricks at vehicles stopping for a traffic signal at Green and Adams Streets near the Taft Homes housing project.

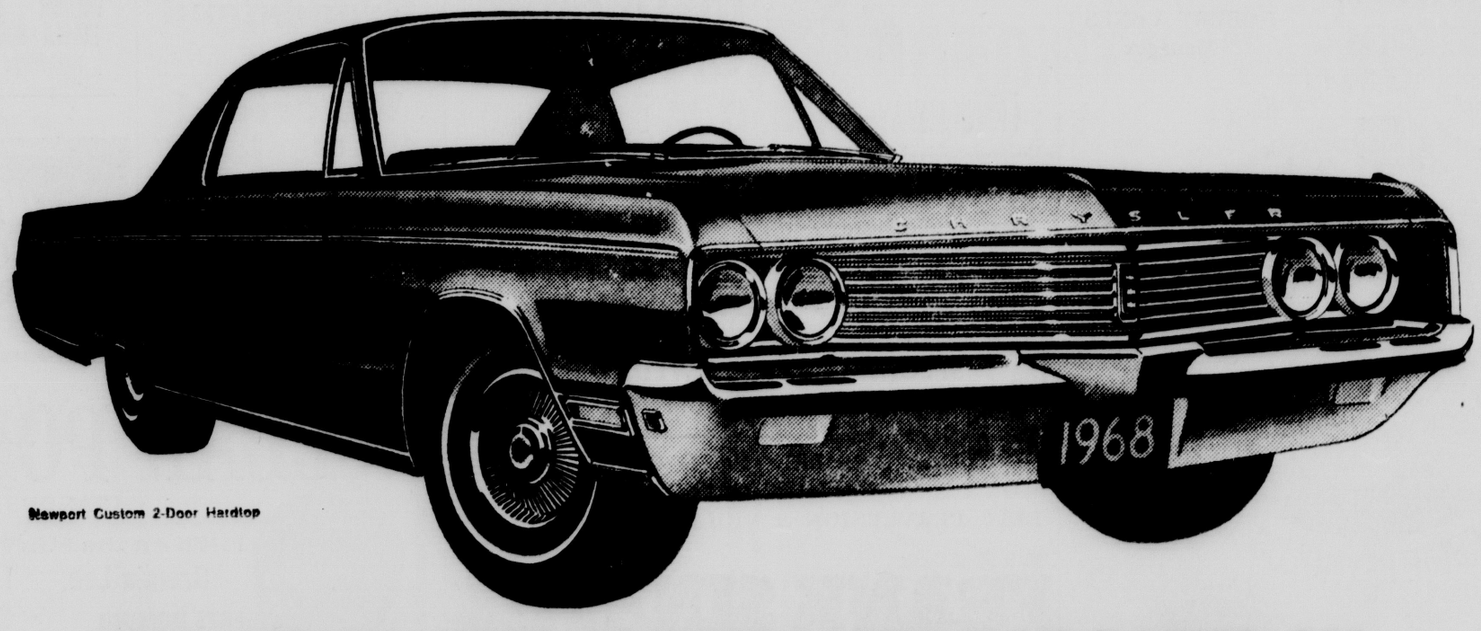

After the situation deteriorated during the post-midnight hours, all off-duty city police, 18 sheriff's deputies and several state police were summoned to duty in the area.

Calm returned shortly before dawn, but the area was sealed off to all outsiders and an estimated 225 police patroled the streets.

Ballman, Woodeshick Quit In Salary Hassle

By BOB GREEN
Associated Press Sports Writer

Gary Ballman and Tom Woodeshick of the Philadelphia Eagles walked out in a salary dispute. At least 49 other pro and prospective pro football players walked out looking for jobs. And another walked out in uniform—military uniform, that is.

Philadelphia Coach Joe Kuharich said Ballman's salary demand "was such that we could not meet it." He was noncommittal on Woodeshick.

"We don't pressure anyone to sign a contract," Kuharich said Monday. "They have a right to do what they want. I have to draw the line somewhere, and I have drawn the line."

Ballman, an end, and Woodeshick, a fullback, both were regulars last year.

"I may never come back," said Woodeshick.

"I want to play for the Eagles," said Ballman, "but if we don't come to any agreement, I'm sure there'll be other ball clubs in contact with me. If we don't sign, there's only one way out—trading me."

While they stashed away their uniforms, Green Bay Packer reserve quarterback Don Horn broke out his U.S. Army uniform. His reserve unit was called up for six months active duty at Ft. Campbell, Ky.

Horn, a second-year man, who completed 10 of 23 passes in Thursday's intrasquad game, was expected to play behind Bart Starr this season, a Packer spokesman said.

The other 49 were cuts, as the teams in both the National and American Football Leagues sought to get down to a mandatory maximum of 60 by Wednesday night.

The New York Giants cut four, including veteran defensive linemen Rosey Davis and Riley Gunnels.

Vern Burke, a veteran, eight-year tight end, who did not play much last season because of an injury, was one of six cut by the New Orleans Saints.

The Washington Redskins cut two-season linebacker Steve Jackson and six rookies, while the Atlanta Falcons dropped three. Cincinnati and Philadelphia each dropped six.

And the Kansas City Chiefs trimmed 17—including John Henry Haslam, of Blackpool, England, one of the two soccer-style kickers recruited from England. Bobby Howfields, of Herts, England, was retained.

Lou Gentile Wins Feature At Canfield

Lou Gentile of Hubbard grabbed the checkered flag in the Buick night late model feature and Bill Larson of Youngstown won the 20-lap stock finale at Canfield Speedway Saturday night before 2,852 fans.

Larson not only recorded his second triumph of the year, but halted a three - victory string of Bob Krauss of Sharon, Pa.

A spectacular mishap on the 2nd lap of the late model feature spiced the card. Paul Miller of Youngstown sideswiped the fence and then rolled. He was hit by Ron Hegedus of Brookfield. Neither driver was hurt.

Gentile drove a 1963 Chevrolet to victory taking the lead from Gary Blaney on the 10th lap. In a tight battle for the next three spots, Blaney was 2nd followed by Phil Wertz and Dave Benner.

Truckers Clinch Flag In Softball

LISBON — Toot Trucking, with only one loss in 19 games, clinched the County Softball League pennant with an 8-3 victory over the Wellsville Merchants Monday night at Pine Tree Inn Field.

In the second game, Wellsville Appliance scored one run in the final frame to edge Lisbon Merchants 7-6.

With scheduled play ending next week, there is no longer any chance for East Liverpool Merchants, the only team to defeat the Truckers, to head off Toot's.

The top two teams will play an exhibition game at 7:15 p.m., today since Tangerine Lounge, which was to have played East Liverpool, dropped out of the league. East Liverpool is in second place.

Ron Sabo homered and Clarence Beverly and Jack Jackson had three hits each to lead the Truckers. Pitcher Gail Talbott and Frank Rossi hit safely twice for the losers. Jerry Bryson hurled for the Truckers.

Lee Forbes, Pitcher Jerry Cannon and Ray Duffield led the Wellsville Appliance club in the closely-played nightcap. Dave Conrad homered and Earl Hershman had two hits for Lisbon. Jerry Bush took the loss.

Albco Foundry will play Quaker Security Service at 5:45 today at Pine Tree.

The Browns were 9-5 in 1967 but were outgained by 585 yards.

Carl Ward, at 180, is the lightest player on the Browns' roster.

Author Has Formula

Easiest Way To Be Rich

By HAL BOYLE

NEW YORK (AP) — At last a man has come up with a simple formula for getting rich in America.

"Inherit money," is the crisp advice of author Ferdinand Lundberg.

"The way that most people become rich in this country today is by sitting and listening to the reading of a will. Between 60 and 70 per cent of the individual wealth today is inherited wealth."

This is one of many contentions made by Lundberg in a controversial new best-selling book, "The Rich and the Super Rich," which has proved so fascinating to many of the upper crust that they read it aloud to each other at the dinner table and let their caviar go untasted.

Family Centered

His other major theses are that U.S. wealth is largely family centered and that, at least as recently as a decade ago, one-half of one per cent of America's adult population held 25 per cent of its riches.

In his opinion a nation may be in danger if the few own too much and the many own too little.

"My own view is that the maldistribution of wealth in this country is historically ridiculous and unnecesary," he said. "Thirty per cent of the country's population is impoverished. Another 15 to 20 per cent is near poor.

"The country can do whatever it wants to about the situation for all of me," he remarked. "As the newspapers say, we give them the facts."

Lundberg, long a bloodhound on the spoor of the American dollar, is a tall, white-haired former financial writer for the defunct New York Herald Tribune. He is also an economist, social philosopher and educator.

FDR's 'Handbook'

In 1937 he provided President Franklin D. Roosevelt's aging New Deal with a new handbook of impetus by writing, "America's 60 Families," in which he first advanced his idea that the nation's political power is flexed chiefly by the firm fists and fingers of a comparatively few clans. The giant corporations they control, he believes, are the instruments of that power.

Some three years ago he took leave from a teaching post at New York University to find out what had happened to money in the last three decades. The result is a three-pound opus, heavily documented, running to 812 pages, and costing $10.

Lundberg denies any personal animus against wealth or the wealthy.

"My point isn't that the rich are particularly sinful, but that they have too much political power.

"It is true that there are 25 million stockholders in America, but, going by the record, the big companies are controlled by very few people."

Lundberg said it wouldn't bother his conscience if his book made him wealthy, but doubts that it could, no matter how many copies it sells.

Some Hail Papal Statement

Reaction Varies On Pope Birth Control Encyclical

By The Associated Press

Some Roman Catholics have reacted with dissent or indifference to Pope Paul VI's encyclical against birth control while others hailed the papal statement as refreshing and a reaffirmation of Christian truth.

The Pope, in a long-awaited pronouncement Monday, upheld the prohibition on all artificial means of contraception and appealed to leaders of civil governments everywhere to outlaw contraception, sterilization and abortion as means of limiting population.

Most liberal Catholics who spoke out after the announcement took the view that those among the world's half billion Catholics who already use modern birth control methods would continue to do so based on the belief that sexual morality is a matter of conscience.

Gerald L. Fitzgerald, a Catholic layman and official of the Christian Family Movement, said in New York: "I suspect that Pope Paul and a lot of church authorities are going to be surprised by the lack of concern caused by the encyclical.

"If Pope Paul had come out with it four or three or even two years ago, it might have made a difference," he said. "But by now I think that most couples who have been struggling with the problem have made up their minds and settled their consciences."

Commonweal, a liberal weekly journal edited by Catholics, said in an editorial for publication this week: "For millions of lay people, the birth control question has been confronted, prayed over and settled—and not in the direction of the Pope's encyclical."

On another note, Triumph magazine, which voices a Conservative viewpoint, declared the papal statement was "a courageous reaffirmation of Christian truth" that "invites the world to return to moral sanity."

Most Catholic prelates and priests preferred not to comment until they had seen the official text of the Pope's encyclical. Some, however, did voice their views.

James Francis Cardinal McIntyre of Los Angeles, a conservative, found the Pope's statement "refreshing" and "in conformity with time-established principles of right reason and scientific research."

A spokesman for Archbishop Terenece J. Cooke of New York said the papal decree was "an authoritative teaching on the part of the Pope that does require assent by Catholics."

"Rome has spoken," said Richard Cardinal Cushing of Boston, "and for the time being the case is closed."

In Washington a group claiming to speak for 142 of the 1,223 clergymen in the archdiocese went on record against the anticipated ban last Saturday, saying in a letter to Patrick Cardinal O'Boyle:

"Many of your priests cannot in conscience follow this directive because it gives no room for either probable opinion regarding the practice of contraception or the right of conscience so clearly enunciated in the documents of Vatican II."

Mary Louise Birmingham, a Catholic housewife and editor of Hackensack, N.J., said: "The papacy is an outmoded institution, something like the English monarchy. Catholics are paying less and less attention to it."

"I don't care what the Pope says," said Maryann Napolie, a young Manhattan housewife and mother of two. "I have the feeling the clergy are talking to themselves on this issue. I've made my decision, and couldn't care less about people at the Vatican who are designing another Galileo case."

Jewish and Protestant leaders and officials of population control organizations were generally critical of the Pope's stand as were some medical authorities.

Evangelist Billy Graham, arriving in New York from Paris, said: "In general I would disagree with it. Anyone who travels has seen we need some form of birth control."

Graham added: "Within the framework of marriage, there is no such sin as sex."

Outside the United States, there was also a good deal of negative reaction.

Anglican bishops attending the Lambeth Conference in London expressed fears that the encyclical would harm closer relations between Anglicans and Roman Catholics.

Belgians heard a Jesuit priest, Father Delepierre, declare over their national radio: "The Pope's encyclical is not the language that people expected. It appeals to a very high ideal but is too remote from the daily life of Catholics."

Extra Deputies Added To Avert Jail Break

LANCASTER, Ohio (AP) — Extra deputies have been added to the work force at the Fairfield County Jail to thwart two men charged with murder.

Sheriff Jack Blazer told newsmen Monday that his office is concerned with the possibility of an attempted break involving Fred Grambo and William Gallagher, both of Columbus.

The pair are charged with first-degree murder in the slaying of Lithopolis physician Dr. Edward Roller last April 14.

Author Has Formula

Easiest Way To Be Rich

By HAL BOYLE

NEW YORK (AP) — At last a man has come up with a simple formula for getting rich in America.

"Inherit money," is the crisp advice of author Ferdinand Lundberg.

"The way that most people become rich in this country today is by sitting and listening to the reading of a will. Between 60 and 70 per cent of the individual wealth today is inherited wealth."

This is one of many contentions made by Lundberg in a controversial new best-selling book, "The Rich and the Super Rich," which has proved so fascinating to many of the upper crust that they read it aloud to each other at the dinner table and let their caviar go untasted.

Family Centered

His other major theses are that U.S. wealth is largely family centered and that, at least as recently as a decade ago, one-half of one per cent of America's adult population held 25 per cent of its riches.

In his opinion a nation may be in danger if the few own too much and the many own too little.

"My own view is that the maldistribution of wealth in this country is historically ridiculous and unnecesary," he said. "Thirty per cent of the country's population is impoverished. Another 15 to 20 per cent is near poor.

"The country can do whatever it wants to about the situation for all of me," he remarked. "As the newspapers say, we give them the facts."

Lundberg, long a bloodhound on the spoor of the American dollar, is a tall, white-haired former financial writer for the defunct New York Herald Tribune. He is also an economist, social philosopher and educator.

FDR's 'Handbook'

In 1937 he provided President Franklin D. Roosevelt's aging New Deal with a new handbook of impetus by writing, "America's 60 Families," in which he first advanced his idea that the nation's political power is flexed chiefly by the firm fists and fingers of a comparatively few clans. The giant corporations they control, he believes, are the instruments of that power.

Some three years ago he took leave from a teaching post at New York University to find out what had happened to money in the last three decades. The result is a three-pound opus, heavily documented, running to 812 pages, and costing $10.

Lundberg denies any personal animus against wealth or the wealthy.

"My point isn't that the rich are particularly sinful, but that they have too much political power.

"It is true that there are 25 million stockholders in America, but, going by the record, the big companies are controlled by very few people."

Lundberg said it wouldn't bother his conscience if his book made him wealthy, but doubts that it could, no matter how many copies it sells.

Some Hail Papal Statement

Reaction Varies On Pope Birth Control Encyclical

By The Associated Press

Some Roman Catholics have reacted with dissent or indifference to Pope Paul VI's encyclical against birth control while others hailed the papal statement as refreshing and a reaffirmation of Christian truth.

The Pope, in a long-awaited pronouncement Monday, upheld the prohibition on all artificial means of contraception and appealed to leaders of civil governments everywhere to outlaw contraception, sterilization and abortion as means of limiting population.

Most liberal Catholics who spoke out after the announcement took the view that those among the world's half billion Catholics who already use modern birth control methods would continue to do so based on the belief that sexual morality is a matter of conscience.

Gerald L. Fitzgerald, a Catholic layman and official of the Christian Family Movement, said in New York: "I suspect that Pope Paul and a lot of church authorities are going to be surprised by the lack of concern caused by the encyclical.

"If Pope Paul had come out with it four or three or even two years ago, it might have made a difference," he said. "But by now I think that most couples who have been struggling with the problem have made up their minds and settled their consciences."

Commonweal, a liberal weekly journal edited by Catholics, said in an editorial for publication this week: "For millions of lay people, the birth control question has been confronted, prayed over and settled—and not in the direction of the Pope's encyclical."

On another note, Triumph magazine, which voices a Conservative viewpoint, declared the papal statement was "a courageous reaffirmation of Christian truth" that "invites the world to return to moral sanity."

Most Catholic prelates and priests preferred not to comment until they had seen the official text of the Pope's encyclical. Some, however, did voice their views.

James Francis Cardinal McIntyre of Los Angeles, a conservative, found the Pope's statement "refreshing" and "in conformity with time-established principles of right reason and scientific research."

A spokesman for Archbishop Terenece J. Cooke of New York said the papal decree was "an authoritative teaching on the part of the Pope that does require assent by Catholics."

"Rome has spoken," said Richard Cardinal Cushing of Boston, "and for the time being the case is closed."

In Washington a group claiming to speak for 142 of the 1,223 clergymen in the archdiocese went on record against the anticipated ban last Saturday, saying in a letter to Patrick Cardinal O'Boyle:

"Many of your priests cannot in conscience follow this directive because it gives no room for either probable opinion regarding the practice of contraception or the right of conscience so clearly enunciated in the documents of Vatican II."

Mary Louise Birmingham, a Catholic housewife and editor of Hackensack, N.J., said: "The papacy is an outmoded institution, something like the English monarchy. Catholics are paying less and less attention to it."

"I don't care what the Pope says," said Maryann Napolie, a young Manhattan housewife and mother of two. "I have the feeling the clergy are talking to themselves on this issue. I've made my decision, and couldn't care less about people at the Vatican who are designing another Galileo case."

Jewish and Protestant leaders and officials of population control organizations were generally critical of the Pope's stand as were some medical authorities.

Evangelist Billy Graham, arriving in New York from Paris, said: "In general I would disagree with it. Anyone who travels has seen we need some form of birth control."

Graham added: "Within the framework of marriage, there is no such sin as sex."

Outside the United States, there was also a good deal of negative reaction.

Anglican bishops attending the Lambeth Conference in London expressed fears that the encyclical would harm closer relations between Anglicans and Roman Catholics.

Belgians heard a Jesuit priest, Father Delepierre, declare over their national radio: "The Pope's encyclical is not the language that people expected. It appeals to a very high ideal but is too remote from the daily life of Catholics."

Extra Deputies Added To Avert Jail Break

LANCASTER, Ohio (AP) — Extra deputies have been added to the work force at the Fairfield County Jail to thwart two men charged with murder.

Sheriff Jack Blazer told newsmen Monday that his office is concerned with the possibility of an attempted break involving Fred Grambo and William Gallagher, both of Columbus.

The pair are charged with first-degree murder in the slaying of Lithopolis physician Dr. Edward Roller last April 14.

On this date:

In 1718, the founder of Pennsylvania, William Penn, died in England.

One year ago — Caracas and Venezuela were rocked by earthquakes, and hundreds of persons were reported killed.

Junior Editors Quiz on MOON CRATERS

QUESTION: *Why are there craters on the moon?*

* * *

ANSWER: Ever since telescopes capable of giving us a close look at the moon's surface have been perfected, astronomers have been pondering this question. There are two main theories. One is that the craters are caused by meteorites, or fragments of rock from space, which, attracted by the moon's gravity, hurtle toward it, throwing out debris in a circular shape around the point of impact. Many thousands of meteors are attracted to our earth each day, but our atmosphere burns almost all of them by friction. Another theory about moon craters is that they were caused by volcanic eruptions of hot material from below the surface. In 1966, a number of space probes from earth landed on the moon's surface and took some remarkable photographs. The picture above is based on one of these, taken by Lunar Orbiter II. It shows the crater Copernicus, with peaks in its center said to be 1000 feet high. From a study of the evidence, scientists have concluded that most craters were formed by meteorites but that some have definitely resulted from volcanic action.

(Frank Stroili of Greenwich, Conn., wins a prize for this question. You can win $10 cash plus AP's handsome World Yearbook if your question, mailed on a postcard to Junior Editors in care of this newspaper, is selected for a prize.)

ACT NOW—YOUR ENROLLMENT FORM MUST BE MAILED BY MIDNIGHT SAT., AUG. 3, OR IT CANNOT BE ACCEPTED

One out of two families will have someone in the hospital this year! It could be you — or some beloved member of your family tomorrow... next week... next month. Sad to say, very few families have anywhere near enough coverage to meet today's soaring hospital costs. These costs have tripled in just a few short years. They are expected to double again in the few years ahead.

Stop for a moment. Think how much a long stay in the hospital will cost you or a loved one. How would you ever pay for costly, but necessary, X-rays, doctor bills, drugs and medicines? What would you do with your pay check stopped, but living expenses still going on the same as ever? The same rent, phone, food, all the day-to-day expenses that never stop.

What is the average breadwinner to do? We believe we have the answer in the famous Presidential Extra Cash Plan that

...Pays you $100.00 a week tax-free cash when you go to the hospital.

What a blessing it is when you know you have an extra $100.00 cash coming in every week — beginning the very first day you enter the hospital.

Now, Presidential's economy plan enables you to enjoy this protection at once. Because it will NOT cost you $20.00. It will NOT cost you $10.00 — or even $5.00. Your special low price is just 25¢ for the first month's coverage. Then continue at low Presidential rates.

Your cash benefits increase each year — at no extra cost to you!

And what peace of mind not to worry about rising costs. Your protection automatically increases $3.00 a week each year. The first year you get $100.00 a week. You get $103.00 a week in the second year. $106.00 a week in the third year. $109.00 a week in the fourth year. By the eleventh year, your policy will be worth a full *$130.00 a week* in benefit payments... at no increase in cost to you! This generous cash reserve protection will belong to you for as long as you keep the policy. You can see that your insurance will be worth much *more* than the present "face value" of the policy. Certainly, our increased payments to you will help keep pace with rising costs and — best of all...

...The increasing benefits come to you at no extra cost. You still pay the regular low Presidential premium!

What other Plan protects you like this today? What other Plan keeps protecting you against rising living costs in the years ahead without increasing your premiums? And that's not all. This special Presidential Extra Cash Plan(#HP 18L-1067)...

PAYS Up to $10,000.00 CASH for each accident or illness, starting the very first day in the hospital.

PAYS $100.00 A WEEK CASH — if you need a full time registered nurse when you come home from the hospital — up to 50 weeks.

PAYS $1,000.00 EXTRA CASH for accidental death.

PAYS Up to $2,000.00 CASH for accidental loss of limbs or eyesight.

PAYS $100.00 A WEEK CASH for each pregnancy, when you go to the hospital, assuming both husband and wife have been enrolled in the Family Plan With Maternity.

PAYS Up to $5,000.00 when a child goes to the hospital for any accident or illness when you are enrolled in the Family Plan.

PAYS you cash benefits that increase each year... to a maximum of $130.00-A-WEEK... at no extra cost to you

NO age limit — no medical examination required

IF YOU ARE 65 OR OVER YOU WILL COLLECT IN ADDITION TO MEDICARE

Why are smart folks over 65 now hastening to protect themselves with the Presidential Extra Cash Plan in *addition* to what Medicare will do for them?

Even though Medicare is a great boon to folks over 65, it will not, of course, pay *all* the bills that quickly pile up as a result of illness or accident.

Regardless of your age, you still need additional health protection.

We have designed this plan as the *important addition* to what you receive from Medicare — or any other health insurance you may have. Remember, all checks will be sent directly to you (not to the doctor or hospital), to give you that "extra" help just when you need it most. Use the tax-free cash any way you see fit. And you will be glad to know the checks will be *big ones!* In addition to what you receive from Medicare, Presidential pays you $70.00 a week... EVEN FOR 100 WEEKS if necessary! *You can receive as much as $7,000.00 for each illness or injury when hospitalized!*

...Pays you $100.00 a week CASH for a registered nurse at home.

Yes, in addition to the $100.00 weekly checks we send you during your hospital stay, we pay you an extra $100.00 a week if the doctor says you need a full-time registered nurse to take care of you at home.

How comforting it is to know that — after your stay in the hospital, if you've been there three days or more, you can return home to recuperate and yet not be a burden to your loved ones. Yes, if your doctor says you need a registered nurse full time within 5 days after you come home, we'll send you checks for *$100.00 a week* — for as long as you need the nurse — even up to *50 weeks*. It's like having a reserve of $5,000.00 cash to draw on when you need it. These benefits *also increase* each year by $3.00 a week. Another exceptional feature you have with Presidential...

...Pays you $100.00 a week cash maternity benefits

Ordinary hospital insurance may take care of part of your expenses when you go to the hospital to have a baby. But what policy can you think of that gives you cash to buy all the things you need for the new baby? Now, if both husband and wife are insured in the wonderful *Family Plan With Maternity* for the entire period of the pregnancy, you get extra cash to use any way you want. If a pregnancy, childbirth or even miscarriage puts you in the hospital for one day, five days, 10 days — *as long as necessary* — you get $100.00 a week for every day of your confinement, up to 100 weeks.

All these added cash benefits.

Yes, in addition to $100.00 a week for hospitalization or $100.00 a week maternity benefits and $100.00 a week for a registered nurse at home... you get all this:

Added cash benefits: $1,000.00 cash to your family if death occurs within 90 days from any accidental injury. Think of how handy the cash can be in time of loss. It can take care of burial expenses without burdening your loved ones.

Added cash benefit: Up to $2,000.00 cash for accidental loss of limbs or eyesight, when the loss occurs anytime within 90 days of the accident. The loss of a limb or eyesight is a terrible thing. Nothing can replace the loss, but a check for $1,000.00 or $2,000.00 brings peace of mind during the period of adjustment.

Added cash benefit: Choose *either* Family Plan... and your children will be covered too! Presidential pays up to $5,000.00 any time your youngster goes to the hospital... for tonsils, appendicitis, or *any other* illness or injury! Yes, you will receive $50.00 cash, week after week — for as many as *100 weeks*, if necessary.

We pay your premiums when you are not able

As a special consideration to you — if you are hospitalized just 6 weeks or more, all premiums that come due while you are still in the hospital after this period will be paid by Presidential. And your protection continues as if you were paying the premiums yourself! Then if you leave the hospital and must return for the same condition before you have resumed full normal activities for 90 days, Presidential will again PAY ANY PREMIUMS WHILE YOU ARE IN THE HOSPITAL — *TO A MAXIMUM OF 100 WEEKS* per confinement! This means you pay no premiums, yet your full protection remains in force — *you collect up to $10,000.00 for each confinement!*

THIS LIMITED ENROLLMENT OFFER ENDS SOON Only 25¢ for First Month — Money-Back Guarantee

You can now have your first month's protection for your entire family for only *twenty five cents!* But you must act *immediately*. Your request for this wonderful Income Protection Plan must be mailed on the convenient form below NOT LATER THAN MIDNIGHT of the date in the Enrollment Form.

This midnight expiration hour *cannot be extended*. If your enrollment form is mailed later, *it cannot be accepted*.

These are the ONLY exclusions!

Your Presidential policy covers every conceivable kind of sickness or accident except conditions caused by war or any act of war; mental disorders; intoxicants and narcotics; where care is in a Government hospital; pregnancy except as provided under the maternity benefit provision; and expenses resulting from any sickness or injury you had before the Effective Date of your policy... during the first 2 years only.

This last item is a real help if you *already* have a health problem. If you are sick *before* you take out this policy, you will *still* be covered for that condition after the policy has been in effect for 2 years. Meanwhile every *new* condition is covered.

How can 25¢ buy so much?

You can buy ordinary insurance at any time and pay the regular rates, if you wish. But Presidential can now provide you and your entire family with $100.00 a week tax-free Income Protection for just 25¢ the first month only because we enroll a large number of people at one time — *direct by mail!* This highly efficient "Mass Enrollment" method cuts costs to the bone — *and the savings are passed on to you!*

Make your decision carefully

Think how costly a hospital confinement will be. Imagine paying for those indispensible x-rays, doctor bills, medicines and drugs that are *not* covered by your present insurance.

Would you be able to afford the quiet and privacy of a private room and a private nurse, should you so desire? Or a telephone to keep in touch with loved ones? Or the rental of a TV set to help pass the lonely hours? Who would pay your bills that keep on coming in at home? Many folks have lost their life savings, their cars, even their homes trying to meet such expenses. And no one knows whose turn it will be next.

Why you must act before the deadline date shown in the enrollment form — just a few days from today

Why do we give you so little time to apply for your insurance policy — only a few days? Because, as mentioned above, we must receive *your* Enrollment Form *the same time as all the others* in order to pass on to you the savings that come from processing *many* policies *at one time*.

We mail you the policy as soon as we receive the Enrollment Form. When the policy arrives, examine it in the privacy of your own home. Take all the time you need. It's a very short document, and you'll be pleasantly surprised to discover there is NO FINE PRINT. Then — *show it, if you wish, to someone you trust*. Perhaps your lawyer, accountant, or banker. Better still — *show it to your own insurance man... even though he may very well be working for another insurance company!* If he is a personal friend, he has your best interests in mind. So you can believe him when he tells you there is no better bargain available anywhere — at any price!

Money back guarantee—in case you change your mind

Even after you mail your Enrollment Form below... even after you examine the policy in your own home and talk it over with anyone you wish... even after all this you are still free to return the policy within 15 days *and your quarter will be refunded at once*. There will be no obligation whatever.

Meanwhile, all during the 15 days you are making up your mind—you'll be protected by $100.00-A-WEEK extra cash benefits just as if you had already said "yes." That's right, you will be fully covered all this time for any accident which puts you in the hospital, even if you finally decide to return the policy.

However, after you've seen the policy for yourself, you will surely agree that this is a tremendous value and you'll want to continue this $100.00-A-WEEK extra cash protection under the Plan that's best for you.

PLAN I — INDIVIDUAL(S) ONLY PLAN:

If you want to cover yourself — or yourself and one or more adult dependents (including your spouse) — then this is the Plan for you. Each person must be 18 or over, and shall pay (per person) the rate applicable to his or her age.

Age at Enrollment	Monthly Premium
18-39	only $3.95
40-49	only $4.95
50-59	only $5.95
60-74	only $6.95
75 and over	only $8.95

PLAN II — FAMILY PLAN WITH MATERNITY

This plan is for the family that is still growing. To the total of the monthly premium for the adults to be insured, just add $5. This entitles you to all maternity benefits. It also covers all your unmarried, dependent children between the ages of 3 months and 19 years who live at home. Future dependent children will be covered when they reach 3 months of age and without any additional charge.

PLAN III—FAMILY PLAN WITHOUT MATERNITY

This plan is for the family that is no longer growing. To the total of the monthly premium for the adults to be insured, just add $3. This covers all your unmarried, dependent children between the ages of 3 months and 19 years who live at home.

NOTE: The regular Monthly Premium shown here (for your age at time of enrollment) is the same low premium you will continue to pay; it will not automatically increase as you pass from one age bracket to the next. Once you have enrolled, your rate can never be changed because of how much or how often you collect from us — or because of advanced age — but only if there is a general rate adjustment, up or down, on all policies of this type in your entire state.

Act now—"later" may be too late!

TIME IS PRECIOUS! Act quickly. (No salesman will call.) Get your enrollment form into the mail *today*—because once you suffer an accident or sickness, it's TOO LATE to buy protection at *any* cost. That's why we urge you to act today—*before* anything unexpected happens.

Presidential pays $1,000.00 for complete accidental loss of one hand or one foot or sight of one eye; $2,000.00 for loss of both hands or both feet or sight of both eyes... when dismemberment occurs anytime within 90 days of the accident.
7. **How much do we receive for pregnancies?** If you have the Family Plan With Maternity, you receive $100.00-A-WEEK for each pregnancy, childbirth or miscarriage that results in hospital confinement when both husband and wife are enrolled under this plan for the entire period of pregnancy.

Of course, any new condition is covered immediately for a full 100 weeks.
9. **How may I use these benefit payments?** You may use them in any way you wish — for hospital and doctor bills, rent, food, household expenses, or anything else. This is entirely up to you.

Your Presidential checks are rushed to you by air mail to use as you see fit.
13. **What benefits do my eligible, dependent children get?** If you choose a Family Type Plan, your dependent eligible children, ages 3 months to 19 years, would receive 50% of all the cash benefits of the basic Plan and 100% of all its other benefits and features (excluding Waiver of Premium).

15. **Will my protection be cancelled because I have too many claims?** No, definitely not! Presidential guarantees never to cancel your protection because you have too many claims or because of advanced age. We also guarantee never to refuse to renew your policy unless the premium is not paid before the end of the 31-day grace period, or unless renewal is declined on all policies of this type in your entire state. (Of course, if deception is used in making application, the policy may be ineffective.)
16. **Will my rates be raised as I grow older or if I have too many claims?** No matter how many claims you have, or regardless of how long you keep your policy, your rate will remain the same as it was for your age when you applied. Presidential guarantees never to adjust this rate unless the rates are adjusted on all policies of this type in your entire state.

20. **Besides the savings, are there other advantages to joining Presidential during this enrollment period?** Yes, there certainly are. A very important one is that you do not need to complete a regular application — just your brief form in the lower left hand corner of this page. 21. **Can other members of my family take advantage of this special offer?** Yes, as long as they can meet the few requirements listed under Question 18.
22. **How does the money-back guarantee work?** Examine your policy carefully in the privacy of your own home. If for any reason you are not completely satisfied, return it within 15 days and we will promptly refund your money. Meanwhile you will be fully protected while making your decision!

One out of two families will have someone in the hospital this year! It could be you—or some beloved member of your family tomorrow...next week...next month. Sad to say, very few families have anywhere near enough coverage to meet today's soaring hospital costs. These costs have tripled in just a few short years. They are expected to double again in the few years ahead.

Stop for a moment. Think how much a long stay in the hospital will cost you or a loved one. How would you ever pay for costly, but necessary, X-rays, doctor bills, drugs and medicines? What would you do with your pay check stopped, but living expenses still going on the same as ever? The same rent, phone, food, all the day-to-day expenses that never stop.

What is the average breadwinner to do? We believe we have the answer in the famous Presidential Extra Cash Plan that

...Pays you $100.00 a week tax-free cash when you go to the hospital.

What a blessing it is when you know you have an extra $100.00 cash coming in every week—beginning the very first day you enter the hospital.

Now, Presidential's economy plan enables you to enjoy this protection at once. Because it will NOT cost you $20.00. It will NOT cost you $10.00—or even $5.00. Your special low price is just 25¢ for the first month's coverage. Then continue at low Presidential rates.

Your cash benefits increase each year—at no extra cost to you!

And what peace of mind not to worry about rising costs. Your protection automatically increases $3.00 a week each year. The first year you get $100.00 a week. You get $103.00 a week in the second year. $106.00 a week in the third year. $109.00 a week in the fourth year. By the eleventh year, your policy will be worth a full *$130.00 a week* in benefit payments...at no increase in cost to you! This generous cash reserve protection will belong to you for as long as you keep the policy. You can see that your insurance will be worth much *more* than the present "face value" of the policy. Certainly, our increased payments to you will help keep pace with rising costs and—best of all...

...The increasing benefits come to you at no extra cost. You still pay the regular low Presidential premium!

What other Plan protects you like this today? What other Plan keeps protecting you against rising living costs in the years ahead without increasing your premiums? And that's not all. This special Presidential Extra Cash Plan(#HP 18L-1067)...

PAYS Up to $10,000.00 CASH for each accident or illness, starting the very first day in the hospital.

PAYS $100.00 A WEEK CASH—if you need a full time registered nurse when you come home from the hospital—up to 50 weeks.

PAYS $1,000.00 EXTRA CASH for accidental death.

PAYS Up to $2,000.00 CASH for accidental loss of limbs or eyesight.

PAYS $100.00 A WEEK CASH for each pregnancy, when you go to the hospital, assuming both husband and wife have been enrolled in the Family Plan With Maternity.

PAYS Up to $5,000.00 when a child goes to the hospital for any accident or illness when you are enrolled in the Family Plan.

PAYS you cash benefits that increase each year... to a maximum of $130.00-A-WEEK...at no extra cost to you

NO age limit—no medical examination required

IF YOU ARE 65 OR OVER YOU WILL COLLECT IN ADDITION TO MEDICARE

Why are smart folks over 65 now hastening to protect themselves with the Presidential Extra Cash Plan in *addition* to what Medicare will do for them?

Even though Medicare is a great boon to folks over 65, it will not, of course, pay *all* the bills that quickly pile up as a result of illness or accident.

Regardless of your age, you still need additional health protection.

We have designed this plan as the *important addition* to what you receive from Medicare—or any other health insurance you may have. Remember, all checks will be sent directly to you (not to the doctor or hospital), to give you that "extra" help just when you need it most. Use the tax-free cash any way you see fit. And you will be glad to know the checks will be *big ones!* In addition to what you receive from Medicare, Presidential pays you $70.00 a week...EVEN FOR 100 WEEKS if necessary! *You can receive as much as $7,000.00 for each illness or injury when hospitalized!*

...Pays you $100.00 a week CASH for a registered nurse at home.

Yes, in addition to the $100.00 weekly checks we send you during your hospital stay, we pay you an extra $100.00 a week if the doctor says you need a full-time registered nurse to take care of you at home.

How comforting it is to know that—after your stay in the hospital, if you've been there three days or more, you can return home to recuperate and yet not be a burden to your loved ones. Yes, if your doctor says you need a registered nurse full time within 5 days after you come home, we'll send you checks for *$100.00 a week*—for as long as you need the nurse—even up to *50 weeks*. It's like having a reserve of $5,000.00 cash to draw on when you need it. These benefits *also increase* each year by $3.00 a week. Another exceptional feature you have with Presidential...

...Pays you $100.00 a week cash maternity benefits

Ordinary hospital insurance may take care of part of your expenses when you go to the hospital to have a baby. But what policy can you think of that gives you cash to buy all the things you need for the new baby? Now, if both husband and wife are insured in the wonderful *Family Plan With Maternity* for the entire period of the pregnancy, you get extra cash to use any way you want. If a pregnancy, childbirth or even miscarriage puts you in the hospital for one day, five days, 10 days—*as long as necessary*—you get $100.00 a week for every day of your confinement, up to 100 weeks.

All these added cash benefits.

Yes, in addition to $100.00 a week for hospitalization or $100.00 a week maternity benefits and $100.00 a week for a registered nurse at home...you get all this:

Added cash benefits: $1000.00 cash to your family if death occurs within 90 days from any accidental injury. Think of how handy the cash can be in time of loss. It can take care of burial expenses without burdening your loved ones.

Added cash benefit: Up to $2,000.00 cash for accidental loss of limbs or eyesight, when the loss occurs anytime within 90 days of the accident. The loss of a limb or eyesight is a terrible thing. Nothing can replace the loss, but a check for $1,000.00 or $2,000.00 brings peace of mind during the period of adjustment.

Added cash benefit: Choose *either* Family Plan...and your children will be covered too! Presidential pays up to $5,000.00 any time your youngster goes to the hospital...for tonsils, appendicitis, or *any other* illness or injury! Yes, you will receive $50.00 cash, week after week—for as many as *100 weeks*, if necessary.

We pay your premiums when you are not able

As a special consideration to you—if you are hospitalized just 6 weeks or more, all premiums that come due while you are still in the hospital after this period will be paid by Presidential. And your protection continues as if you were paying the premiums yourself! Then if you leave the hospital and must return for the same condition before you have resumed full normal activities for 90 days, Presidential will again PAY ANY PREMIUMS WHILE YOU ARE IN THE HOSPITAL—*TO A MAXIMUM OF 100 WEEKS* per confinement! This means you pay no premiums, yet your full protection remains in force—*you collect up to $10,000.00 for each confinement!*

THIS LIMITED ENROLLMENT OFFER ENDS SOON
Only 25¢ for First Month — Money-Back Guarantee

You can now have your first month's protection for your entire family for only *twenty five cents!* But you must act *immediately*. Your request for this wonderful Income Protection Plan must be mailed on the convenient form below NOT LATER THAN MIDNIGHT of the date in the Enrollment Form.

This midnight expiration hour *cannot be extended*. If your enrollment form is mailed later, *it cannot be accepted*.

These are the ONLY exclusions!

Your Presidential policy covers every conceivable kind of sickness or accident except conditions caused by war or any act of war; mental disorders; intoxicants and narcotics; where care is in a Government hospital; pregnancy except as provided under the maternity benefit provision; and expenses resulting from any sickness or injury you had before the Effective Date of your policy...during the first 2 years only.

This last item is a real help if you *already* have a health problem. If you are sick *before* you take out this policy, you will *still* be covered for that condition after the policy has been in effect for 2 years. Meanwhile every *new* condition is covered.

How can 25¢ buy so much?

You can buy ordinary insurance at any time and pay the regular rates, if you wish. But Presidential can now provide you and your entire family with $100.00 a week tax-free Income Protection for just 25¢ the first month only because we enroll a large number of people at one time—*direct by mail!* This highly efficient "Mass Enrollment" method cuts costs to the bone—*and the savings are passed on to you!*

Make your decision carefully

Think how costly a hospital confinement will be. Imagine paying for those indispensible x-rays, doctor bills, medicines and drugs that are *not* covered by your present insurance.

Would you be able to afford the quiet and privacy of a private room and a private nurse, should you so desire? Or a telephone to keep in touch with loved ones? Or the rental of a TV set to help pass the lonely hours? Who would pay your bills that keep on coming in at home? Many folks have lost their life savings, their cars, even their homes trying to meet such expenses. And no one knows whose turn it will be next.

Why you must act before the deadline date shown in the enrollment form — just a few days from today

Why do we give you so little time to apply for your insurance policy—only a few days? Because, as mentioned above, we must receive *your* Enrollment Form *the same time as all the others* in order to pass on to you the savings that come from processing *many* policies *at one time*.

We mail you the policy as soon as we receive the Enrollment Form. When the policy arrives, examine it in the privacy of your own home. Take all the time you need. It's a very short document, and you'll be pleasantly surprised to discover there is NO FINE PRINT. Then—*show it, if you wish, to someone you trust*. Perhaps your lawyer, accountant, or banker. Better still—*show it to your own insurance man...even though he may very well be working for another insurance company!* If he is a personal friend, he has your best interests in mind. So you can believe him when he tells you there is no better bargain available anywhere—at any price!

Money back guarantee—in case you change your mind

Even after you mail your Enrollment Form below...even after you examine the policy in your own home and talk it over with anyone you wish...even after all this you are still free to return the policy within 15 days *and your quarter will be refunded at once*. There will be no obligation whatever.

Meanwhile, all during the 15 days you are making up your mind—you'll be protected by $100.00-A-WEEK extra cash benefits just as if you had already said "yes." That's right, you will be fully covered all this time for any accident which puts you in the hospital, even if you finally decide to return the policy.

However, after you've seen the policy for yourself, you will surely agree that this is a tremendous value and you'll want to continue this $100.00-A-WEEK extra cash protection under the Plan that's best for you.
